No. MUD-SET 18/2026

November 12, 2026

Subject : Management Discussion and Analysis Quarter 3/2026 Ending 30 September 2026 (revised_1)

To : The President
The Stock Exchange of Thailand

## Income Statement

### Total Revenue

Mud & Hound PCL and the subsidiaries ("**MUD**" or the "**Company**") earned THB 1,863 mm and THB 1,424 mm in 3Q/25 and 3Q/26 respectively, equalling to Y-o-Y growth of (23.6%). The significant reasons were as follows: decreasing of the purchasing power of the country's population, including the company closing branches, most of which have lower income.

### Cost of Sales and Services

Cost of sales and services in 3Q/25 and 3Q/26 totalled THB 716 mm and THB 537 mm respectively, accounting for 38.4% and 37.7% of total revenue respectively. The ratio has decreased, primarily from well-stabilized under the effective collaboration between purchasing department, logistics department, marketing department, and branch employees through the application of effective procurement and inventory management systems.

### Selling and Administrative Expenses (S&A)

In 3Q/25 and 3Q/26, MUD's selling and administrative expenses amounted to THB 1,461 mm and THB 1,109 mm, respectively, accounting for 78.4% and 77.9% of total revenue, respectively. The ratio decreased by 0.5% due to the company closing branches, most of which are non-profitable operations. Including allowance for expected credit losses.

*S&A Breakdown by Type*

| | *3-month period (Jul – Sep)* | | | *9-month period (Jan – Sep)* | | |
|---|---|---|---|---|---|---|
| | 3Q/25 | 3Q/26 | Y-o-Y Change | 9M/25 | 9M/26 | Y-o-Y Change |
| Amortization of intangible assets from business acquisitions [1] | 7 | 6 | (14.2%) | 21 | 19 | (9.5%) |
| Other selling expenses [2] | 334 | 238 | (28.7%) | 1,055 | 784 | (25.7%) |
| Administrative expenses [3] | 86 | 57 | (33.7%) | 240 | 178 | (25.8%) |
| Loss on exchange | 10 | - | (100.0%) | - | - | 0.0% |
| Share of loss from investment in a joint venture | - | - | 0.0% | | 8 | 100.0% |

---

Management Outlook

The Company is a leading company in food & beverage and lifestyle business under its own brands (Greyhound Café, Another Hound Café, Greyhound Original, M-Kitchen, and Le Grand Vefour) and its exclusive franchisee in Thailand of global brands (Dunkin's Donuts and Au Bon Pain). In addition, MUD is master franchisor of Greyhound Café in various cities/counties (i.e. Hong Kong, Indonesia and Philippines). In total, MUD has more than 483 stores under strong and experienced management team. MM is promised to deliver the best-quality products, excellence services, and sustainable growth.

The Company has key strategies to create sustainable growth as followed

- Continuing Innovation & Creativity: The experienced team has been developing and innovating products and services to meet the rapid changes of consumers' behavior and needs. For example, strengthen "Value for Money" concepts, product innovation (i.e. festive menus, trendy menu such as special menu for Mother's Day).

- Store Expansion in Strategic Locations: Since store expansion is a key factor to create sustainable growth, the Company has determined to continuously develop and expand stores of both owned- and franchised-brand in strategic locations to create sustainable growth and meet consumers' needs. In addition, the Company has the experienced team who understands the market situation and competition. Moreover, the Company has been strengthening good relationships with the existing landlords and at the same time developing new relationship with potential landlords.

- **International Growth:** The Company has determined and realized the opportunities in presenting unique Thai cuisine to the global market. Therefore, the Company has been aggressively expanded "Greyhound Café" to not only Asian market in which there are exceptional success, In addition, currently, the company has three restaurants in Paris, France.

- **Competitive Advantages of Costs and Expenses:** The Company is aiming not only to establish sustainable revenue growth, but also to create competitive advantage of costs and expenses. The Company has been developing centralized unit in order to support each brand (owned and franchised brands) in the areas of accounting and finance, information technology, supply chain management, human resource, and etc. With the centralized support unit, each brand is able to concentrate on consumer and to efficiently control costs and expenses i.e. big order for all brands.

- **Inorganic Growth:** The Company not only focuses on the organic growth of the existing business, but also eyes on the optimal new business opportunities to create inorganic growth.

Yours Sincerely

*- Suwanee Kamkuea -*
