The President

The Stock Exchange of Thailand

Dear Sirs,

Re: Clarification on results of business operations for 2017.

The Company would like to clarify the operation results for 2017 ending December 31, 2017 (October– December) which dedicating higher than 20 percent from the same period of the previous year and the relevant details are as follows:-

1. The Company's underwriting gain in 2017 amounted to Baht 600.61 Million which increased by Baht 173.23 Million or equals to 40.53 percent compared to the same period of the previous year due to fee and commission income increased include Insurance claims and loss adjustment expenses decreased.

2. The Company's net profit of Baht 107.87 Million, increased by Baht 14.89 Million or 16.01 percent compared to the same period of the previous year, which mainly came from Gains on investments. Due to the sale of investment units, which makes more profit.

Yours faithfully,

Somporn Suebthawilkul
