Subject: Management discussion and analysis for operating results for the third quarter of 2026 which changed over 20% from the previous year.

To: The Board of Directors and President of the Stock Exchange of Thailand

Seafresh Industry Public Company Limited ("The company") would like to inform the operating results of the company and its subsidiaries for the third quarter of 2026 which changed over 20% compared with the previous year as follow:

Sales

For the third quarter of 2026, the company reported sales revenue of the company and its subsidiaries for the third quarter of 2026 in THB 2,284.48 million, increased by THB 237.14 million or 11.58% when compared to the same period of the previous year. This reflects the growth in sales and the Group's ability to expand its market presence.

Net Profit (Loss)

For the third quarter of 2026, the Company reported a net profit attributable to shareholders of THB 100.17 million, increase of THB 93.01 million or 1,299.02% compared to the same period of the previous year.

The significant increase in net profit was mainly attributable to higher sales generated by overseas subsidiaries as a result of market expansion, together with effective cost and expense management, which improved the Group's operating profitability. In addition, the Company recorded foreign exchange gains, whereas a foreign exchange loss was recorded in the same period of the previous year. This was another key factor contributing to the Company's significantly improved operating performance and net profit compared to the previous year.

Please be informed accordingly.

Yours faithfully,

Chintat Chia-Apar
Director
