Re : Financial Results for year 2017  
To : The Managing Director  
The Stock Exchange of Thailand

The company would like to report on the operational results for year 2017 as follows:

1. Revenues

Revenues from medical service totaled 1,547.84 Baht in million in year 2017, representing a decrease of 37.66 Baht in million, or 2.38% from last year. Revenue from general medical service decreased by 27.25 Baht in million, or 2.33% due to general patients decreased. Revenue from Social Security Program decreased by 10.42 Baht in million, or 2.51% compared to last year due to other reimbursement of medical treatment payable from the Social Security Fund on year 2015, which record accrued income on year 2016.

2. Expenses

Combined cost of medical care and selling and administration expenses totaled 1,425.55 Baht in million in year 2017, an increase of 32.19 Baht in million, or 2.31% from last year. The cost of medical care increased by 31.25 Baht in million was mostly due to the increasing of healthcare providers' salary and wage regarding to lack of professional staff in industry. Selling and administration expenses increased by 0.94 Baht in million or 2.59% due to the increase of employment benefits such as staff cost and expenses of hospital quality improvement.

In year 2017, the company had the net profit of 127.87Baht in million, representing a decrease of 54.67 Baht in million, or 29.95% from last year.

Please be informed accordingly.

Sincerely Yours,

( Mrs.Phortchana Manoch )

Vice - Chairman
