Re : Financial Results for the Third Quarter 2018

To : The Managing Director  
The Stock Exchange of Thailand

The company would like to report on the operational results for the third quarter 2018 as follows:

1. Revenues

Revenues from medical service totaled 436.53 Baht in million, representing an increase of 5.81 Baht in million, or 1.3% from the same period last year. This mainly due to the increase in revenue from Out-patient. Though, there is a decrease in adjusted payment from medical service of chronic diseases in social security scheme.

2. Expenses

Combined cost of medical care and administration expenses, including depreciation and amortization, totaled 368.73 Baht in million, an increase of 18.70 Baht in million, or 5.0% from the same period last year. The increase was mostly due to staff training expense according to Joint Commission International (JCI) and also increasing in the minimum daily wage stipulations for the provinces in the government's flagship Eastern Economic Corridor development project, Despite that the company strives to improve cost efficiency management.

In the third quarter review, the company had the net profit of 33.20 Baht in million, representing an increase of 10.12 Baht in million, or 23.4% from the same period last year.

Please be informed accordingly.

Sincerely Yours,

( Mrs.Phortchana Manoch )

Vice - Chairman
