Remark : The Board of Directors has delegated the authority to the Executive Committee to define the framework and policies for risk management, as well as the risk management plan. The Executive Committee is responsible for overseeing the risk management practices to ensure they align with the company's strategies and objectives. The Committee also provides recommendations to management to ensure that risks are managed and controlled at an appropriate level, ensuring that organizational risks are effectively governed. Additionally, the Board of Directors has assigned the Audit Committee with the responsibility of monitoring and ensuring that risk management is conducted in accordance with the established plan and policies. The Executive Committee and the Audit Committee are required to meet at least twice a year to communicate significant risks, link risks to internal controls, and report on risk management to the Board of Directors.
