

The Certification of Information

We have thoroughly reviewed all information in this annual registration statement and hereby certify that all information is true, accurate and not misleading nor does it fail to disclose material facts that should be stated therein. In addition, we certified that:

- (1) The financial statement and the financial information in this annual registration statement has accurately disclosed the financial status, the performance, and the cash flow of the company and its subsidiaries.
- (2) We account for providing the good disclosure system to ensure that the company and its subsidiaries have disclosed the accurate information as well as overseeing the compliance with such system.
- (3) We account for providing the good internal control system as well as overseeing the compliance with such system. In addition, we have already disclosed the information on the internal control appraisal to the auditor and the company's audit committee on December 31, 2018. The information consists of the deficiency and significant change of the internal control as well as the incorrect practice that may affect the preparation of the financial statement of the company and its subsidiaries.

To certify that all documents are the same paper as we had certified correctness; we, hereby assigned Ms. Kulkanok Leongsoithong to affix her signature on every single page of all same certified series. If any page is not initialed by Ms. Kulkanok Leongsoithong, we assume that such information is not certified.
