

## **Certification of the Accuracy of Information**

“The Company has examined the information contained in this annual registration statement and hereby certify that the information contained herein is neither false nor misleading nor missing any material information. The Company further certifies that:

(1) The financial statements and financial summary in this registration statement present fairly, in all material respects, the financial position, the results of the operations and cash flows of the Company and subsidiary companies.

(2) The Company provides sound information disclosure systems to ensure that the Company has accurately disclosed all the Company’s and subsidiary companies’ material information and that all the procedures of the said systems were followed properly.

(3) The Company provides reliable internal control system and ensures that the Company has comprehensively complied with the said system. Moreover, the Company has reported the internal control assessment as of February 26, 2019 to the auditor and the Audit Committee. The information presented includes errors and significant changes, if any, of the internal control systems as well as any misconduct which might have an effect on the preparation of the Company’s and subsidiary companies’ financial statements.

In order to ensure the authenticity and the wholeness of the said documents, the Company authorizes Mr. PathompolSaosap to sign every page of each document. If any document does not contain the signature of Mr. PathompolSaosap, the Company will deem that such document is not the document that the Company certified.
