Subject: Management Discussion and Analysis - Q2, 2017

Dear Sir,

During the 2nd quarter of 2017, we received the compensation from insurance companies for the fire accident that occurred on March 6, 2017. This compensation amount increased Other Income of this quarter by Baht 7,986,844.65.

We stopped running our old paper machine for the major maintenance and renovation since the very beginning of Q1/2017 and have been running with only new machine since then.

As the new machine receives a no tax privilege from the BOI for its operation profit, the net profit for this quarter increases 29.25% or Baht 14,318,722.97 as compares to that the same period of last year.

Thank you very much for your kind attention.

Sincerely yours,

(Mr. Wachara Chinsethawong)
