127,500,000 to Baht 268,421,200 by issuance of 1,409,212 ordinary shares at the par value of Baht 100.

The Subscription of newly issued shares will be done by the Company jointly with Mr. Niti Nerngchamnong as per required by condition set forth in negotiation between Hero Venture International LLC., the Company, and Mr. Niti Nerngchamnong, or the person appointed by Mr. Niti Nerngchamnong.

 Ltd., equivalent to 2.5 percent of the registered capital of Hero Experience, at the price per share of up to Baht 149.018 and total purchase price of up to Baht 10,000,000

The subscription of the newly issued shares and the acquisition of shares at the price which is higher than the par value is due to the fact that the Company has considered the value of Hero Experience which evaluated by the independent valuer, the Sims Property Consultant Co., Ltd., the independent valuer which is approved by the Securities and Exchange Commission, that it should be equal to Baht 2,616,000,000 or Baht 974.5877 per share. Therefore, the subscription of the newly issued shares at the price per share of Baht 335.29377 is reasonable since the subscription price is lower than the considered value, in which the Company will receive the expected return. The share premium will be the asset of Hero Experience for construction cost and investment in future project.
