To: President  
The Stock Exchange of Thailand

Refer to the request from the Stock Exchange of Thailand for Global Service Center Public Company Limited ("the Company") to clarify the outstanding balance between the Company and related party. The Company would like to clarify as follows:

Following the objectives for the use of capital in IPO prospectus, the Company has a plan to utilize the capital from IPO during 2<sup>nd</sup>-3<sup>rd</sup> quarter of 2019. In order to maximize benefit for the Company, the Management decided to manage liquidity by invested in short-term promissory notes of Asia Capital Group Public Company Limited in the amount of THB 100 million, THB 51 million from IPO and THB 49 million from cash from operation. The rest of IPO in the amount of THB 97 million, THB 22 million invested in short-term fixed income fund and THB 75 million remain in saving account.

The investment in short-term promissory notes of Asia Capital Group Public Company Limited and short-term fixed income fund was the way to manage liquidity in the short period of time and generated higher yield when compared to bank deposits. However, Asia Capital Group Public Company Limited has already returned THB 100 million promissory notes to the Company since 1 April 2019.

Please be informed accordingly.

Yours Sincerely
