Seller: 1. Mr. Nuttanon Setthavoravichit

2. Mr. Wanpiti Wattanapanich

3. Mr. Thanakorn Boonsaeng

Relationship: None

Nature of transaction : Purchasing of 10,000 ordinary shares of Top Treat Co., Ltd.

Investment objectives : The investment is for the business expansion in selling products to the Company's customers, including rail operators. Throughout the years, Thailand has invested in various forms of rail expansion according to the government's policy. And once the rail system of those operators is completed, there will be a continued investment to expand services in the future. Therefore, entering into procuring and selling products to rail operators is another channel for the company to present its main products, which are rubber products. The products are for machine maintenance including spare parts, in order to increase the business expansion channel of the company in the future.

Details of acquired asset and Nature of Business : Top Treat Co., Ltd. is a seller of machines, engines, mechanical equipment, labor-saving equipment, vehicle, electricity generator, and water pump, including all kinds of goods and all type of goods related to

the railway business, and a provider of maintenance service, with a registered capital of 1,000,000 Baht, divided into 10,000 shares at a par value of 100 Baht.
