Information Memorandum

on Asset Acquisition of Thachang Green Energy Public Company Limited

The Board of Directors' Meeting No. 9/2022 of Thachang Green Energy Public Company Limited (the "Company") held on 29 December 2022, resolved to approve Thachang Energy Solution (Tha Chin) Co., Ltd. ("TES TCN"), subsidiary of the Company holding the shares of 99.99 percent, to invest in the solid waste disposal project by means of Waste-to-Energy ("WTE") with the Municipal Office of Tha Chin Subdistrict, Samut Sakhon Province. This investment results from the fact that TES TCN won the bidding and was selected as the investor to carry out the municipal waste disposal project under an operation investment and management entirely carried out by a private entity (Build Own and Operate: BOO) subject to the entire project duration of 25 years ("WTE Power Plant Project Tha Chin"). In this regard, TES TCN will purchase a piece of land, construct, and procure the power plant machinery for the construction and manage the WTE Power Plant Project Tha Chin.

The above transaction of TES TCN is considered a transaction of asset acquisition by a listed company in accordance with the Notification of the Capital Market Supervisory Board No. TorChor. 20/2551, Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets, and the Notification of the Board of Governors of the Stock Exchange of Thailand, Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets, 2004 (as amended) ("Notifications on Asset Acquisition and Disposal"). The estimate of all investment values of the WTE power plant project (including the value of land and power plant machinery transactions) is approximately 1,628,733,000 Baht (one billion six hundred twenty-eight million seven hundred thirty-three thousand) (excluding VAT).

Based on the calculation of the transaction size compared to the overall assets with reference to the consolidated financial statements of the Company of 9-month period ended 30 September 2022 which was audited by a certified auditor, it appeared that the highest transaction size is equivalent to 48.45 percent as calculated based on the total value of consideration criteria. When such transaction was consolidated with the transaction of asset acquisition of the Company in a 6-month period, the total transaction size is equivalent to 48.85 percent, which is the transaction size of more than 15 percent but less than 50 percent of the total assets of the Company. Therefore, the Company is obliged to conduct a report and disclose such transaction with the minimum information as specified under List 1 of the Acquisition and Disposition Notifications and send the Minimum Information Memorandum under List 2 of the Acquisition and Disposition Notifications to the shareholders of the Company within 21 days from the date of transaction disclosure to the Stock Exchange of Thailand.
