Planet Communications Asia Public Company Limited (the "**Company**") hereby informs the significant resolutions of the Board of Directors' Meeting No. 2/2023, which was held on March 1, 2023, at 15.00 hours, to the Stock Exchange of Thailand ("**SET**") as follows:

1. It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the acquisition and acceptance of the entire business transfer according to the entire business transfer plan between the Company and EEC GC Holdings Co., Ltd. ("**EEC GC Holdings**"), in which there are 8 shareholders, namely (1) Mr. Chud Hengsavad; (2) Mr. Santi Panawong; (3) Mr. Boonruang Polpanich; (4) Mr. Supachoke Yongstar; (5) Mrs. Cherdchom Ongaree; (6) Mr. Veeravat Modesri; (7) Police Lieutenant General Predee Pongsethasant; (8) Mr. Chai Sanguansin ("**EEC GC Holdings Shareholders**"), who are not connected persons of the Company, whereby the

Company shall acquire and accept transfer of the entire business of EEC GC Holdings, which refers to all assets, liabilities, rights, obligations and responsibilities of EEC GC Holdings, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global Cloud Company Limited (“**EEC Global**”), which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global’s registered and paid-up shares), including the execution of the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the “**Entire Business Transfer Transaction**”).

Given that EEC GC Holdings, as a holding company, has its investment in EEC Global representing 99.99 percent of EEC Global’s registered capital as of the date of the entire business transfer, therefore, the fair value of EEC GC Holdings can be calculated from the fair value of EEC Global representing 99.99 percent, which is equal to THB 270,000,000. The value of consideration in the amount of 270,000,000 baht for the purchase of 99.99% of EEC Global’s shares is the value negotiated between the Company and EEC GC Holdings by Discounted Cash Flow Approach, which takes into account the potential and profitability of the business in the future. The value of shareholders’ equity of EEC Global from the valuation is approximately 335 million baht, which was assessed by the management of the company.

Upon comparison between the fair value of EEC GC Holdings and that of the Company, the Board of Directors resolved to grant approval to propose the Shareholders’ Meeting to consider approving the issuance and allocation of not exceeding 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,000,000 to EEC GC Holdings as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings, representing 25.56 percent of all issued and paid-up shares of the Company (based on all issued and paid-up shares of the Company after the execution of the transaction on share allocation in consideration of the entire business transfer).

The transaction on share allocation in consideration of the entire business transfer with EEC GC Holdings constitutes a private placement of newly issued ordinary shares, where the Shareholders’ Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price of the Company’s shares pursuant to the requirements of the Notification of the Capital Market Supervisory Board No. Tor.Jor. 72/2558 Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors dated October 28, 2015 (as amended) (the “Notification No. Tor.Jor. 72/2558”). The “market price” refers to the weighted average price of the Company’s shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders’ Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company’s shares calculated for the past

15 consecutive business days during the period from 8 February 2023 to 28 February 2023 is equal to THB 1.55 per share (Source: SETSMART from www.setsmart.com) as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the “**Transaction on Share Allocation in Consideration of the Entire Business Transfer**”).

Moreover, the execution of such Entire Business Transfer Transaction is regarded as the Company's acquisition and acceptance of transfer of other company's business pursuant to Section 107(2)(b) of the Public Limited Companies Act, therefore, the Company is required to obtain approval for such Entire Business Transfer Transaction from the Shareholders' Meeting of the Company, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

The transaction on acquisition and acceptance of the entire business transfer is regarded as an acquisition of assets under the Notification of the Capital Market Supervisory Board No. Tor.Jor. 20/2551 Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets dated August 31, 2008 (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets B.E. 2547 (2004) dated October 29, 2004 (as amended) (the “**Notifications on Acquisition and Disposition of Assets**”). Upon calculation of the transaction size based on the total value of securities issued for the payment of assets comparing to the value of paid-up shares of the Company per the Company's financial statements for the year 2022 ended December 31, 2022, which had been audited by the auditor, the transaction value is equal to 34.34 percent and the Company have entered into any transactions on acquisition of assets over the past six months resulting that the maximum value of the transaction is equal to 34.34 based on the total value of securities issued for the payment of assets, which is regarded as an acquisition or disposal of assets in type 1 pursuant to the Notifications on Acquisition or Disposition of Assets.

Therefore, the Company is required to comply with the Notifications on Acquisition or Disposition of Assets, including the following matters:

- (1) To prepare and submit a report and disclosure of information memorandum on such transaction of the Company to the SET immediately, which must at least contain the information as required in List (1) attached to the Notifications on Acquisition or Disposition of Assets;
- (2) To appoint an independent financial advisor to carry out the relevant functions, including its opinions as required by the Notifications on Acquisition or Disposition of Assets and submit the independent financial advisor's report to the shareholders for consideration, together with the invitation letter for the Shareholders' Meeting. In this regard, the Company has appointed Welcap Advisory Co., Ltd., which is a financial advisor approved by the Office of the Securities and

Exchange Commission (the “SEC Office”), as its independent financial advisor to provide its opinions to the shareholders in the execution of the Entire Business Transfer Transaction;

- (3) To convene a Shareholders’ Meeting of the Company to approve the execution of the Entire Business Transfer Transaction, by delivering the invitation letter for the Shareholders’ Meeting to the shareholders at least fourteen days prior to the date of the Shareholders’ Meeting, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote, excluding such votes of the interested shareholders, where the names and number of shares of the shareholders ineligible to vote must also be specified in the invitation letter for the Meeting.

The details of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, which constitute transactions on acquisition of assets of listed companies, are described in the Information Memorandum of Planet Communications Asia Public Company Limited on Acquisition of Assets and Connected Transaction on Execution of Entire Business Transfer Transaction (**Enclosure 1**) and the Information Memorandum on Offering and Allocation of Newly Issued Shares of Planet Communications Asia Public Company Limited to EEC GC Holdings Co., Ltd. by way of Private Placement and to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) (**Enclosure 2**).

However, the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer shall proceed only after the conditions precedent as specified in the Entire Business Transfer Agreement between the Company and EEC GC Holdings (the “**Entire Business Transfer Agreement**”), including other arrangements, contracts and documents relating to such transactions, shall have been fulfilled. The significant conditions precedent may be summarized below.

- (1) The Shareholders’ Meeting of the Company shall have resolved to approve the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including approval on various matters necessary for and/or in connection with such transactions;

- (3) The SEC Office shall have approved the private placement of the newly issued ordinary shares to EEC GC Holdings and the application for a waiver from the requirement to make a tender offer for all securities of the business by virtue of resolution of the Shareholders’ Meeting (Whitewash);

- (4) The Board of Directors' Meeting and the Shareholders' Meeting of EEC GC Holdings shall resolve to approve the transfer of its entire business to the Company, including the execution of the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the execution of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, as well as any other actions to ensure the successful completion of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer.

In this connection, the Board of Directors' Meeting deemed it appropriate to propose the Shareholders' Meeting to consider authorizing the Board of Directors or the Executive Committee or the Chief Executive Officer or the person authorized by the Board of Directors or the Executive Committee or the Chief Executive Officer to take any arrangements in connection with or necessary for the execution of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including to negotiate, enter into, sign and amend the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, and to set out rules, conditions and other details necessary for and in connection with the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, as necessary and appropriate under the applicable laws.

2. It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the Company's registered capital increase by THB 187,139,177 from the current registered capital of THB 499,999,996 to be THB 687,139,173 by issuing 187,139,177 newly issued ordinary shares at the par value of THB 1 per share as (1) payment for the Entire Business Transfer Transaction by Private Placement not exceeding 135,000,000 shares, (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares and to consider approving the amendment of Clause 4 (registered capital) of the Memorandum of Association of the Company to be in line with the Company's registered capital increase.

3. It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding issuing 187,139,177 newly issued ordinary shares at the par value of THB 1 per share as (1) payment for the Entire Business Transfer Transaction by Private Placement not exceeding 135,000,000 shares, (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for

the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares, as per the following details:

3.1 It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding 135,000,000 newly issued ordinary shares at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,00,000 to EEC GC Holdings as payment for the Entire Business Transfer Transaction, whereby EEC GC Holdings will use its entire business, which refers to all assets, liabilities, rights, obligations and responsibilities of EEC GC Holdings, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global, which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global's registered and paid-up shares), to make payment in kind for the Company's newly issued ordinary shares.

The issuance and allocation of newly issued ordinary shares in consideration of acceptance of the entire business transfer with EEC GC Holdings constitute a private placement of newly issued ordinary shares, where the Shareholders' Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price of the Company's shares pursuant to the Notification No. TorJor. 72/2558, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote excluding such votes of the interested shareholders. Despite the approval from the Shareholders' Meeting to offer and allocate the Company's newly issued ordinary shares, the Company is also required to obtain approval from the SEC Office as specified in the Notification No. TorJor. 72/2558 before such offering and allocation of the Company's newly issued ordinary shares.

The market price for the issuance of the newly issued ordinary shares to EEC GC Holdings is calculated from the weighted average price of the Company's ordinary shares listed on the SET for the past period of at least 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose the Shareholders' Meeting of the Company to consider approving the issuance and allocation of the Company's newly issued ordinary shares to EEC GC Holdings by way of private placement, whereby the price during the period from 8 February, 2023 to 28 February, 2023 is equal to THB 1.55 (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)).

In this regard, in compliance with the conditions under the Revenue Code regarding the entire business transfer, EEC GC Holdings shall proceed with registration of its dissolution by 2023, within the same fiscal year of EEC GC Holdings's entire business transfer. After such dissolution registration and during the liquidation of EEC GC Holdings, all existing assets at such time of EEC GC Holdings shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages. Therefore, during the liquidation of EEC GC Holdings, the Company's newly issued ordinary shares issued and allocated to EEC GC Holdings as payment for the Entire

Business Transfer Transaction shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages.

In addition, if the offering price of the newly issued ordinary shares to EEC GC Holdings is lower than 90 percent of the market price of the Company's shares prior to the SET's order to accept such newly issued ordinary shares as listed securities, the Company is obliged to prohibit EEC GC Holdings from selling all such newly issued ordinary shares within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period). Upon a lapse of 6 months after the Company's newly issued ordinary shares have started trading on the SET, EEC GC Holdings may gradually sell up to 25 percent of all locked-up shares in accordance with the requirements set out in the Notification of the Stock Exchange of Thailand Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended).

The Company anticipates that the entire business transfer shall be completed within June 2023 (depending on the completion of the conditions precedent under the Entire Business Transfer Agreement) and after the Shareholders' Meeting shall have resolved to approve the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including approval on various matters necessary for and/or in connection with such transactions.

Should the newly issued ordinary shares held by the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion and obtained in the course of EEC GC Holdings's liquidation represent all newly issued ordinary shares which EEC GC Holdings is prohibited from selling within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period) in accordance with the requirements set out in the Notification of the SET Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended), the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion shall be prohibited from selling such ordinary shares so obtained during the course of EEC GC Holdings's liquidation for the remaining silent period under such requirements accordingly. Even the issuance and offering of the newly issued ordinary shares to EEC GC Holdings in this occasion has the offering price which is not lower than 90 percent of the market price of the ordinary of the Company as detailed above and not considered as the cause of right adjustment as specified in terms and conditions governing the rights and obligations of the issuer and holders of the warrants to purchase the ordinary shares of the Planet Communications Asia Public Company Limited Series 1 (PLANET-W1) (the "Terms and Conditions"); however, the meeting of the Board of Directors deemed it appropriate

to propose that the Shareholders' meeting to consider and approve the capital increase to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) due to the Terms and Conditions specified that "The Company will adjust the exercise price and exercise ratio to purchase ordinary shares throughout the term of the Warrants when the Company offers to sell its newly issued ordinary shares to the existing shareholders and/or the public and/or private placement at the average price per share of the newly-issued ordinary share lower than 90 percent of the "market price of the Company's ordinary shares". In this regard, "market price of the Company's ordinary shares" means the average weighted price of the Company's ordinary share traded in the SET during 7 consecutive Business Days before the first date of the offering of the newly issued ordinary shares to the private placement.

Therefore, if the offering price at the first date of the offering of the newly issued ordinary shares to the private placement is lower than 90 percent of the market price of the Company's ordinary shares which the right adjustment shall effective immediately from the first date of the offering to the private placement. Please refer to more details in Clause 3.2 of this information memorandum.

In addition, the Board of Directors' Meeting resolved to grant approval to propose the Shareholders' Meeting to consider authorizing the Board of Directors or the Executive Committee or the Chief Executive Officer or the person authorized by the Board of Directors or the Executive Committee or the Chief Executive Officer to take any arrangements in relation to the issuance, offering, allocation and subscription for such newly issued ordinary shares, including the following matters:

- (1) To determine, amend, add details relating to the issuance, offering, allocation and subscription for the newly issued ordinary shares, the offering date of the newly issued ordinary shares, and the payment method for the newly issued ordinary shares (whereby the period of allocation and subscription may be on one or several occasions), including such arrangements relating to the issuance, offering, allocation and subscription for such newly issued ordinary shares, and information filing and disclosure to the SET.

Planet Communications Asia Public Company Limited

**Information Memorandum of Planet Communications Asia Public Company Limited on the Acquisition and  
Acceptance of Assets of the Entire Business Transfer Transaction**

As Planet Communications Asia Public Company Limited (the “**Company**”) currently operates businesses relating to telecommunication technology services and digital television, the Company intends to expand its business in Cloud service provider and Data Center. Therefore, there has been negotiations with the executives of EEC Global Cloud Company Limited (“**EEC Global**”), which operates a business relating to providing of depository services for computer servers, virtual servers services, system administration services, backup services for customer server and provide Disaster Recovery Services (DRS), in which such businesses are consistent with the intention of the Company.

In this regard, the Board of Directors’ Meeting No. 2/2023, which was held on March 1, 2023 resolved to grant approval to propose the Shareholders’ Meeting to consider approving the acquisition and acceptance of the entire business transfer according to the entire business transfer plan between the Company and EEC GC Holdings Co., Ltd. (“**EEC GC Holdings**”), in which there are 8 shareholders, namely (1) Mr. Chud Hengsavad; (2) Mr. Santi Panawong; (3) Mr. Boonruang Polpanich; (4) Mr. Supachoke Yongstar; (5) Mrs. Cherdchom Ongaree; (6) Mr. Veeravat Modesri; (7) Police Lieutenant General Predee Pongsethasant; (8) Mr. Chai Sanguansin (“**EEC GC Holdings Shareholders**”), who are not connected persons of the Company, whereby the Company shall acquire and accept transfer of the entire business of EEC GC Holdings, which refers to all assets, liabilities, rights, obligations and responsibilities of EEC GC Holdings, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global Cloud Company Limited (“**EEC Global**”), which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global’s registered and paid-up shares), including the execution of the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the “**Entire Business Transfer Transaction**”).

Given that EEC GC Holdings, as a holding company, has its investment in EEC Global representing 99.99 percent of EEC Global’s registered capital as of the date of the entire business transfer, therefore, the fair value of EEC GC Holdings can be calculated from the fair value of EEC Global representing 99.99 percent, which is equal to THB 270,000,000. The value of consideration in the amount of 270,000,000 baht for the purchase of 99.99% of EEC Global’s shares is the value negotiated between the Company and EEC GC Holdings by Discounted Cash Flow Approach, which takes into account the potential and profitability of the business in the future. The value of shareholders’ equity of EEC Global from the valuation is approximately 335 million baht, which was assessed by the management of the company.

Upon comparison between the fair value of EEC GC Holdings and that of the Company, the Board of Directors resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,000,000 to EEC GC Holdings as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings, representing 25.56 percent of all issued and paid-up shares of the Company (based on all issued and paid-up shares of the Company after the execution of the transaction on share allocation in consideration of the entire business transfer).

The transaction on share allocation in consideration of the entire business transfer with EEC GC Holdings constitutes a private placement of newly issued ordinary shares, where the Shareholders' Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price of the Company's shares pursuant to the requirements of the Notification of the Capital Market Supervisory Board No. TorJor. 72/2558 Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors dated October 28, 2015 (as amended) (the "**Notification No. TorJor. 72/2558**"). The "market price" refers to the weighted average price of the Company's shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders' Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company's shares calculated for the past 15 consecutive business days during the period from 8 February 2023 to 28 February 2023 is equal to THB 1.55 per share (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)) as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the "**Transaction on Share Allocation in Consideration of the Entire Business Transfer**").

Moreover, the execution of such Entire Business Transfer Transaction is regarded as the Company's acquisition and acceptance of transfer of other company's business pursuant to Section 107(2)(b) of the Public Limited Companies Act, therefore, the Company is required to obtain approval for such Entire Business Transfer Transaction from the Shareholders' Meeting of the Company, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

The transaction on acquisition and acceptance of the entire business transfer is regarded as an acquisition of assets under the Notification of the Capital Market Supervisory Board No. TorJor. 20/2551 Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets dated August 31, 2008 (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets B.E. 2547 (2004) dated October 29, 2004 (as amended) (the "**Notifications on Acquisition and Disposition of Assets**"). Upon calculation of

the transaction size based on the total value of securities issued for the payment of assets comparing to the value of paid-up shares of the Company per the Company's financial statements for the year 2022 ended December 31, 2022, which had been audited by the auditor, the transaction value is equal to 34.34 percent and the Company have entered into any transactions on acquisition of assets over the past six months resulting that the maximum value of the transaction is equal to 34.34 based on the total value of securities issued for the payment of assets, which is regarded as an acquisition or disposal of assets in type 1 pursuant to the Notifications on Acquisition or Disposition of Assets.

Therefore, the Company is required to comply with the Notifications on Acquisition or Disposition of Assets, including the following matters:

### 3. General Description and Size of the Transactions

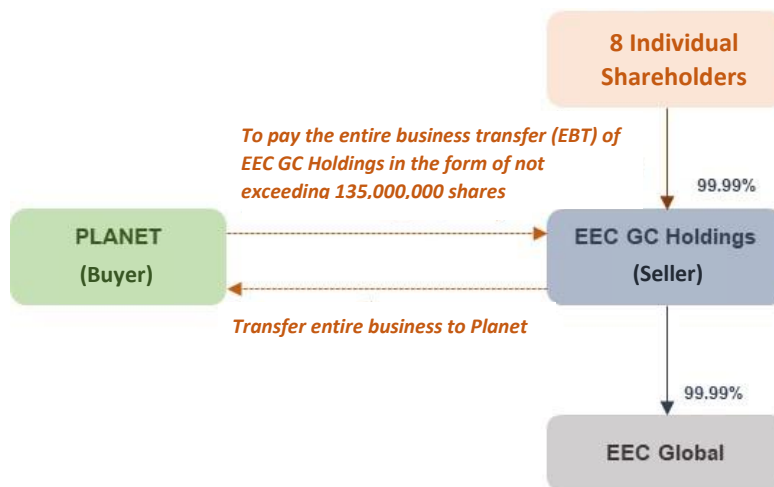

#### 3.1 General Description of the Transactions

The Company shall enter into the entire business transfer agreement with EEC Global including 19,999,998 shares at the par value of THB 5 per share representing 99.99 percent of all ordinary shares of EEC Global from EEC GC Holdings by way of the entire business transfer (EBT) at the total price of THB 270,000,000. The Company shall pay for such shares in the form of not exceeding 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share by way of private placement at the offering price of THB 2 per share. The Company is of the view that such price shall give rise to the best interest of the shareholders, upon consideration of EEC Global's value and the current value of the Company's shares and such offering price is not lower than 90 percent of the market price under the applicable notifications of the Securities and Exchange Commission. The "market price" refers to the weighted average price of the Company's shares listed on the SET for the past period of at least 15 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders' Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the price for the previous 7 business days from 8 February 2023 to 28 February 2023 is equal to THB 1.55 per share ( Source: SETSMART from www.setsmart.com) as payments in kind to the shareholders of EEC Global who offer to sell shares of EEC Global to the Company.

The acquisition of shares of EEC Global shall proceed by way of the entire business transfer (EBT) of EEC GC Holdings, which holds shares in EEC Global representing 99.99 percent of all registered and paid-up shares of EEC Global, which is regarded as an acquisition or acceptance of business transfer of a private company as part of a public company pursuant to Section 107(2)(b) of the Public Limited Companies Act B.E. 2535 (1992) (as amended), therefore, the Company is required to obtain approval from the Shareholders' Meeting of the Company, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

In addition, since the offering of the Company's newly issued ordinary shares by way of private placement on this occasion constitutes a private placement of newly issued ordinary shares, where the Shareholders' Meeting shall pass a resolution to clearly specify the offering price, the Company is required not only to obtain approval from the Shareholders' Meeting to offer the Company's newly issued ordinary shares by way of private placement, but also to obtain permission from the SEC Office to offer the newly issued ordinary shares by way of private placement pursuant to the applicable notifications of the Capital Market Supervisory Board prior to such offering of such newly issued ordinary shares.

EEC GC Holdings shall not nominate any of its representatives or directors to manage in the Company.

Moreover, should, on the date of the Company's issuance of shares (offering date), which is tentatively scheduled to occur in June 2023, such offering price be calculated with a discount in excess of 10 percent of the market price, which is calculated from the weighted average price of the Company's shares being traded on the SET for the past period of 7 business days prior to the offering date, EEC GC Holdings is required to comply with the SET's silent period requirements, which would prohibit the sale of all such newly issued shares within 1 year from the date on which such shares start trading on the SET. Upon a lapse of 6 months after the newly issued shares have started trading on the SET, EEC GC Holdings may gradually sell up to 25 percent of such shares. However, EEC GC Holdings is established to sell ordinary shares of EEC Global by way of the entire business transfer (EBT) to the Company. Therefore, after such business transfer, EEC GC Holdings shall dissolve within the same tax year. In such case, the shareholders of EEC GC Holdings which is the major shareholder representing 99.99 percent, shall become a shareholder of the Company instead of EEC GC Holdings, provided that such shares shall continue to be subject to the silent period in the name of the shareholders of EEC GC Holdings

In this regard, the Board of Directors' Meeting deemed it appropriate to grant approval to propose the Shareholders' Meeting to consider authorizing the Board of Directors to consider determining the offering price higher than such price approved by the Shareholders' Meeting.

In addition, as EEC GC Holdings has been allocated 135,000,000 shares or equivalent to [25.56] percent of the sold Company's registered capital increase, and as such, EEC GC Holdings shall trigger the requirement to make a tender offer for all securities of the Company at 25 percent and is thus required to make a tender offer for all securities of the Company pursuant to the Securities and Exchange Act B.E. 2535 (1992) (as amended) (the "**Securities Act**") and the Notification of the Capital Market Supervisory Board No. TorJor. 12/2554 Re: Rules, Conditions and Procedures for the Acquisition of Securities for Business Takeovers dated 13 May 2011 (as amended).

However, EEC GC Holdings wishes to apply for a waiver from the requirement to make a tender offer for all securities of the Company by virtue of resolution of the Shareholders' Meeting )Whitewash) pursuant to the Notification of the SEC Office No. SorKor. 2561/29Re: Rules for the Application for Waiver from the Requirement to Make Tender Offer for All Securities of the Business by Virtue of the Shareholders' Meeting Resolution. The waiver from the requirement to make a tender offer for all securities of the Company by virtue of resolution of the Shareholders' Meeting on this occasion requires approval from the Shareholders' Meeting with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote, excluding the votes of the persons under Section 258 of the applicant or the concert party of the applicant pursuant to the Securities and Exchange Act B.E. 2535 (1992) (as amended), and the persons under Section 258 of such party. Please refer to further

#### 8. Opinion of the Board of Directors on the Transactions

The Company's Board of Directors' Meeting, in which the directors who have interest and/or are connected persons were absent, resolved to approve the execution of such transactions as it opined that the Entire Business Transfer Transaction from EEC GC Holdings by way of payment in kind with newly issued ordinary shares shall support and enhance the Company to have stable business and increase more efficiency for the Company's business operations.

In this regard, the Company's Board of Directors opine that the execution of the Entire Business Transfer Transaction and the Share Allocation Transaction in which the Company shall receive all shares held by EEC GC Holdings including EEC Global's shares of 99.99 percent of EEC Global's issued and paid-up shares and EEC Global's subsidiary, is appropriate and bring the best benefit to the Company's shareholders. Also, the value of the transaction is reasonable since the Company will accept transfer of 19,999,998 ordinary shares of EEC Global, whereby the value of the shareholders' equity of EEC Global from the valuation by the Discounted Cash Flow method is about THB 335 million while the value of consideration amounts to THB 270,000,000. The Company shall pay for such shares in the form of not exceeding 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share by way of private placement at the offering price of THB 2 per share, totaling up to THB 270,000,000. The determination of the value of consideration in the form of ordinary shares at the offering price of THB 2 is based on the weighted average price of the Company's shares for the previous 15 consecutive business days during the period from 8 February, 2023 to 28 February, 2023, which is equal to THB 1.55 per share. Such

price is not lower than 90 percent of the market price under the applicable notifications of the Securities and Exchange Commission. In addition, it is worthwhile in terms of business since the Company will acquire the businesses of EEC Global which can be extend and merge to the existing business of the Company such as Cloud service provider, Smart City, Platform provider. The execution of such transactions on this occasion will enable the Company to recognize both EEC Global' profits in each year.

In addition, the Board of Directors opined that the entering into this transaction with the connected persons, the Company paid compensation for the entire business transfer transaction with the newly issued ordinary shares, thus, the Company has no obligation to procure funds and it does not affect the Company's financial liquidity. In addition, the Company will obtain personnel who have a good understanding of the printing industry to participate in this business integration.

Therefore, the Board of Directors opined that such transactions are justifiable and sufficiently reasonable. For the above reasons, the Board of Directors deemed it appropriate for the 2023 Annual General Meeting of Shareholders to approve all agenda items relating to the Entire Business Transfer Transaction and the Share Allocation Transaction by way of private placement accordingly.

Information Memorandum on Offering of Newly Issued Shares of Planet Communications Asia Public Company Limited to EEC GC Holdings Co., Ltd. by way of Private Placement and to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1)

According to the Board of Directors' Meeting No. 2/2023 of Planet Communications Asia Public Company Limited (the "Company"), which was held on March 1, 2023, has resolved to approve the Company's registered capital increase by THB 187,139,177 from the current registered capital of THB 499,999,996 to be THB 687,139,173 by issuing 187,139,177 newly issued ordinary shares at the par value of THB 1 per share, for (1) offering shares by way of Private Placement not exceeding 135,000,000 shares as payment for the Entire Business Transfer Transaction to EEC GC Holdings Co., Ltd. ("EEC GC Holdings"), (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) offering shares under General Mandate to Private Placement not exceeding 39,000,000 shares.

In this regard, the details of the offering of the Company's newly issued shares by way of private placement which may be material to the shareholders' decision are as follows:

1. **Details of Offering of Newly Issued Ordinary Shares by way of Private Placement, Determination of Offering Price and Market Price**
  - 1.1. **Offering and Allocation Procedures**

Given that EEC GC Holdings, as a holding company, has its investment in EEC Global representing 99.99 percent of EEC Global's registered capital as of the date of the entire business transfer, therefore, the fair value of EEC GC Holdings can be calculated from the fair value of EEC Global representing 99.99 percent, which is equal to THB 270,000,000. The value of consideration in the amount of 270,000,000 baht for the purchase of 99.99% of EEC Global's shares is the value negotiated between the Company and EEC GC Holdings by Discounted Cash Flow Approach, which takes into account the potential and profitability of the business in the future. The value of shareholders' equity of EEC Global from the valuation is approximately 335 million baht, which was assessed by the management of the company.

Upon comparison between the fair value of EEC GC Holdings and that of the Company, the Board of Directors resolved to grant approval to propose the Shareholders' Meeting to consider the private placement to EEC GC Holdings by allocating not exceeding 135,000,000 newly issued ordinary shares at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,000,000 as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the "**Transaction on Share Allocation in Consideration of the Entire Business Transfer**"), representing 25.56 of all issued and paid-up shares of the

Company (based on 135,000,000 newly issued shares, divided by 187,139,177 issued and paid-up shares of the Company after the execution of the Share Allocation Transaction), whereby EEC GC Holdings will use its entire business, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global, which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global's registered and paid-up shares) to make payment in kind for the Company's newly issued ordinary shares.

The issuance of such newly issued ordinary shares constitutes a share offering where the Shareholders' Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price pursuant to the requirements of the Notification of the Capital Market Supervisory Board No. TorJor. 72/2558 Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors dated October 28, 2015 (as amended) (the "**Notification No. TorJor. 72/2558**"). The "market price" refers to the weighted average price of the Company's shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders' Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company's shares calculated for the past 15 consecutive business days during the period from 8 February 2023 to 28 February 2023 is equal to THB 1.55 per share (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)).

Moreover, such Entire Business Transfer Transaction is regarded as the Company's acquisition and acceptance of transfer of other company's business pursuant to Section 107(2)(b) of the Public Limited Companies Act B.E. 2535 (1992) (as amended), therefore, the Company is required to obtain approval for such Entire Business Transfer Transaction from the Shareholders' Meeting of the Company with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

The Entire Business Transfer Transaction is regarded as a transaction on the acquisition of assets under the Notification of the Capital Market Supervisory Board No. TorJor. 20/2551 Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets dated August 31, 2008 (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition or Disposition of Assets B.E. 2547 (2004) dated October 29, 2004 (as amended) (the "**Notifications on Acquisition or Disposition of Assets**"). Upon calculation of the transaction size based on the total value of securities issued for the payment of assets comparing to the value of paid-up shares of the Company per the Company's financial statements for the year 2022 ended December 31, 2022, which had been audited by the auditor, the transaction value is equal to 34.34 percent and the Company have

entered into any transactions on acquisition of assets over the past six months resulting that the maximum value of the transaction is equal to 34.34 based on the total value of securities issued for the payment of assets, which is regarded as an acquisition or disposal of assets in type 1 pursuant to the Notifications on Acquisition or Disposition of Assets.

Therefore, the Company is required to report and disclose such transactions to the SET, including the following matters:

- (1) To prepare and submit a report and disclosure of information memorandum on the Company's transactions to the Stock Exchange of Thailand ("SET") immediately, which must at least contain the information as required by Schedule (1) annexed to the Notifications on Acquisition or Disposition of Assets;
- (2) To appoint an independent financial advisor to carry out the relevant functions, including provide its opinions as required by the Notifications on Acquisition or Disposition of Assets and submit the independent financial advisor's report to the shareholders for consideration, together with the invitation letter for the Shareholders' Meeting. In this regard, the Company has appointed Welcap Advisory Co., Ltd., which is a financial advisor approved by the Office of the Securities and Exchange Commission (the "SEC Office"), as its independent financial advisor to provide its opinions to the shareholders in the execution of the Entire Business Transfer Transaction;
- (3) To convene a Shareholders' Meeting of the Company to approve the execution of the Entire Business Transfer Transaction, by delivering the invitation letter for the Shareholders' Meeting to the shareholders at least fourteen days prior to the date of the Shareholders' Meeting, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

Moreover, the issuance of such newly issued ordinary shares must be approved by the Shareholders' Meeting of the Company with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote. Despite the approval from the Shareholders' Meeting to offer and allocate the Company's newly issued ordinary shares, the Company is also required to obtain approval from the SEC Office as specified in the Notification No. TorJor. 72/2558 before such offering and allocation of the Company's newly issued ordinary shares.

In this regard, in compliance with the conditions under the Revenue Code regarding the entire business transfer, EEC GC Holdings shall proceed with the registration of its dissolution by 2023, within the same fiscal year

of EEC GC Holdings' entire business transfer. After such dissolution registration and during the liquidation of EEC GC Holdings, all existing assets at such time of EEC GC Holdings shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages. Therefore, during the liquidation of EEC GC Holdings, the Company's newly issued ordinary shares issued and allocated to EEC GC Holdings as payment for the Entire Business Transfer Transaction shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages.

In addition, if the offering price of the newly issued ordinary shares by way of private placement is lower than 90 percent of the market price of the Company's shares prior to the SET's order to accept such newly issued ordinary shares as listed securities, the Company is obliged to prohibit EEC GC Holdings from selling all such newly issued ordinary shares within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period). Upon a lapse of 6 months after the Company's newly issued ordinary shares have started trading on the SET, EEC GC Holdings may gradually sell up to 25 percent of all locked-up shares in accordance with the requirements set out in the Notification of the Stock Exchange of Thailand Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended).

The Company anticipates that the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer shall be completed within June 2023 (depending on the completion of the conditions precedent under the Entire Business Transfer Agreement) and after the Shareholders' Meeting shall have resolved to approve the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including approval on various matters necessary for and/or in connection with such transactions.

Should the newly issued ordinary shares held by the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion and obtained in the course of EEC GC Holdings' liquidation represent all newly issued ordinary shares which EEC GC Holdings is prohibited from selling within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period) in accordance with the requirements set out in the Notification of the SET Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended), the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of

the liquidation completion shall be prohibited from selling such ordinary shares so obtained during the course of EEC GC Holdings' liquidation for the remaining silent period under such requirements accordingly.

Even the issuance and offering of the newly issued ordinary shares to EEC GC Holdings in this occasion has the offering price which is not lower than 90 percent of the market price of the ordinary of the Company as detailed above and not considered as the cause of right adjustment as specified in terms and conditions governing the rights and obligations of the issuer and holders of the warrants to purchase the ordinary shares of Planet Communications Asia Public Company Limited Series 1 (PLANET-W1) (the "**Terms and Conditions**"); however, the meeting of the Board of Directors deemed it appropriate to propose that the Shareholders' meeting to consider and approve the capital increase to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) due to the Terms and Conditions specified that "The Company will adjust the exercise price and exercise ratio to purchase ordinary shares throughout the term of the Warrants when the Company offers to sell its newly issued ordinary shares to the existing shareholders and/or the public and/or private placement at the average price per share of the newly-issued ordinary share lower than 90 percent of the "market price of the Company's ordinary shares". In this regard, "market price of the Company's ordinary shares" means the average weighted price of the Company's ordinary share traded in the SET during 7 consecutive Business Days before the first date of the offering of the newly issued ordinary shares to the private placement.

Therefore, if the offering price at the first date of the offering of the newly issued ordinary shares to the private placement is lower than 90 percent of the market price of the Company's ordinary shares which the right adjustment shall effective immediately from the first date of the offering to the private placement.

In addition, the Board of Directors' Meeting resolved to grant approval to propose the Shareholders' Meeting to consider authorizing the Board of Directors or the Executive Committee or the Chief Executive Officer or the person authorized by the Board of Directors or the Executive Committee or the Chief Executive Officer to take any arrangements in relation to the issuance, offering, allocation, and subscription for such newly issued ordinary shares, including the following matters:

- (1) To determine, amend, add details relating to the issuance, offering, allocation, and subscription for the newly issued ordinary shares, the offering date of the newly issued ordinary shares, and the payment method for the newly issued ordinary shares (whereby the period of allocation and subscription may be on one or several occasions), including such arrangements relating to the offering, allocation, and subscription for such newly issued ordinary shares, and information filing and disclosure to the SET;

- (2) To sign, amend, change, contact, or report any information in the applications and evidence necessary for and in connection with the offering, allocation, subscription, and delivery of such newly issued ordinary shares, including contact and filing of the applications, documents, and evidence with the Ministry of Commerce, the SEC Office, the SET, government agencies or other relevant authorities, and the listing of the Company's newly issued ordinary shares on the SET, and to have the authority to take any other actions as deemed necessary and appropriate to ensure the successful completion of the Company's issuance and allocation of the newly issued ordinary shares for offering to EEC GC Holdings by way of private placement.

Pursuant to the Notification No. TorJor. 72/2558, the Company is required to complete the share offering within the period as approved by the Shareholders' Meeting, but not exceeding 3 months from the date the Shareholders' Meeting passes its resolution to approve the offering of the newly issued shares, or complete the share offering within 12 months from the date the Shareholders' Meeting passes its resolution to approve the share offering in the event where it is clearly specified by resolution of the Shareholders' Meeting that upon a lapse of such 3 months, the Board of Directors the person authorized by the Board of Directors shall determine the offering price based on the market price during the offering period.

EEC GC Holdings operates as a Holding Company which holds shares in its subsidiary, EEC Global.

## 2. Purpose of Issuance of Newly Issued Ordinary Shares and Plan for Use of Proceeds

## 2.1. Purpose of Issuance of Newly Issued Ordinary Shares

In order to comply with the printing business restructuring plan, the issuance of the newly issued shares on this occasion is for the purpose of (1) acquiring EEC GC Holdings' business by accepting the entire business transfer from EEC GC Holdings, and as a result, the Company shall primarily acquire 19,999,998 ordinary shares at the par value of THB 5 per share of EEC Global (or representing 99.99 percent of EEC Global's registered and paid-up shares), and the Company shall compensate EEC GC Holdings for the Entire Business Transfer Transaction in the form of not exceeding 135,000,000 newly issued ordinary shares of the Company, as per the

details in the Information Memorandum on Acquisition of Assets, whereby the Company will not receive any cash from the capital increase., (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares.

Affect which expect to impact the Company in case it is unable to achieve this transaction

If EEC Global's performance was decreased or loss in the future, this will impact the Company to bear such decrease or loss under the consolidated financial statements of the Company. However, after considering financial statement in year 2021 - 2022, it seems that EEC Global got loss on business during 2021 - 2022 due to its very first year of establishment, but for the financial projection from 2023 onwards the situation will be getting better. The business operation result would be back to positive in year 2026.

**2.2. Plan for the Use of Proceeds**

The mentioned issuance of newly issued ordinary shares on this occasion is for the purpose of (1) acquiring EEC GC Holdings' business by accepting the entire business transfer from EEC GC Holdings by Private Placement not exceeding 135,000,000 shares which expected to be completed in June 2023 , (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares

The plan for the use of proceeds is also subject to change, depending on the cash and liquid assets that the Company currently holds, operating results, cash flow, business plans, investment plans, other necessities, and appropriateness as the Board of Directors deems appropriate, taking into account the benefits of the Company and shareholders are important.

**3. Potential Impact on Shareholders from Issuance and Offering of Newly Issued Shares by way of Private Placement**

**3.1. Price Dilution**

$$\begin{aligned} &= \frac{\text{market price before the offering} - \text{market price after the offering}}{\text{market price before the offering}} \\ &= \frac{1.55 - 1.67}{1.55} \end{aligned}$$

= -7.42 percent

The market price before offering refers to the weighted average price of the Company's shares listed on the SET for the past 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the 2023 Annual General Meeting of Shareholders, which is equal to THB 1.55 per share based on the trading data of the Company's shares as displayed in SETSMART of the Stock Exchange of Thailand.

Market Price before Offering Formula

$$= \frac{(\text{number of existing paid-up shares} \times \text{market price}) + (\text{number of newly shares} \times \text{offering price})}{(\text{number of existing paid-up shares} + \text{number of newly shares})}$$

$$= \frac{(393,166,664 \times 1.55) + (135,000,000 \times 2)}{(393,166,664 + 135,000,000)}$$

$$= 1.67 \text{ Baht per share}$$

### 3.2. Control Dilution

$$= \frac{\text{number of newly issued shares}}{\text{number of paid-up shares} + \text{number of newly issued shares}}$$

$$= \frac{135,000,000}{393,166,664 + 135,000,000}$$

$$= 25.56 \text{ percent}$$

### 3.3. Earnings per Share Dilution

$$= \frac{\text{EPS before the offering} - \text{EPS after the offering}}{\text{EPS before the offering}}$$

Unable to calculate due to the loss of the business

### 3.4. The worthiness that the shareholders will receive compared to the impact of profit sharing the shareholders' voting rights

When considering the worthiness between the benefits that the shareholders will receive compared to the impacts, however, the Company considered that, after this transaction, it would acquire the business of

EEC Global which allows the Company to expand its customer base. This will result that the Company will be able to expand its business base which allows the Company to create profitability in the future.

**4. Opinion of the Board of Directors**

**4.1. Rationale and Necessity for Capital Increase**

The Board of Directors anticipates that this capital increase represents an issuance of securities in consideration of the entire business transfer, whereby EEC GC Holdings will use 19,999,998 shares in EEC Global at the par value of THB 5 per share as payment in kind for the Company's newly issued ordinary shares allocated to it. Should the Company secure its funds by other means instead of the capital increase, such as borrowing of loan, the Company may incur additional loan burdens, or should the capital be increased by way of the rights issue, it may be uncertain to secure such proceeds from the capital increase, which may cause the existing shareholders to bear a burden of making payment for the capital increase, let alone the fact that such arrangements will be more time-consuming than the capital increase by way of private placement. Moreover, the Company has reviewed the valuation report from the Company's finance department and found it reasonable as the valuation takes into account the capacity and the ability to make a profit of EEC Global in the future, which will enable the Company to recognize the steady and growing operating results of EEC Global, which the Company will have funds to support its current business plans and future business expansion of the group company.

**4.2. Possibility of the Plan for Use of Proceeds and Sufficiency of the Source of Fund**

The Company shall issue newly issued ordinary shares to pay for the acceptance of the entire business transfer to EEC GC Holdings according to the entire business transfer plan. It is initially anticipated that the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer will be completed by June 2023 or any other day as mutually agreed upon between the Company and EEC GC Holdings (subject to the fulfillment of the conditions precedent under the Entire Business Transfer Agreement). However, if the Company does not receive money from this capital increase, the Company will result in losing an opportunity to expand the business according to the Company's business plan. Somehow, if the Company requires more investment than this received capital increase amount, the Company may consider other sources of funding to use as a source funds for investing in the projects mentioned above.

**4.3. Reasonability of the Capital Increase, Plan for Use of Proceeds, and Sufficiency of the Source of Fund in case the Money from the Share Offering does not cover the Plan Budget**

This capital increase is reasonable and shall be beneficial to the Company. Should the Company secure its funds by other means instead of the capital increase, such as borrowing of loan, the Company may incur additional loan burdens, or should the capital be increased by way of the rights issue, it may be uncertain to secure

such proceeds from the capital increase, which may cause the existing shareholders to bear a burden of making payment for the capital increase, such arrangements will be more time-consuming than the capital increase by way of private placement.

#### **4.4. Potential Impact of Capital Increase on the Company's Business Operations, Financial Position, and Overall Operating Results**

The offering of newly issued ordinary shares by way of private placement on this occasion is made to the company engaged in its business in the same industry as the Company, which will help enhance the Company's business operations, particularly telecommunication technology service work, which will expand the Company's customer base. This will enable the Company to strengthen and cover its Telecommunication technology service work. The offering of the Company's newly issued ordinary shares by way of private placement as payment in kind represents the Company's investment management which will not affect its working capital. The Company anticipates to generate revenues from EEC Global's business in addition to its core business, which will be likely to derive good return on investment in EEC Global.

After the Company's study of the justifications and benefits from the Entire Business Transfer Transaction and the allocation of securities on this occasion as described above, the Board of Directors is of the view that this capital increase is justifiable and in the best interests of the Company, particularly the issuance and offering of shares at the price of THB 2 per share, which is based on the market price, namely the weighted average price of the Company's shares for the previous 15 consecutive business days during the period from 8 February, 2023 to 28 February, 2023, which is equal to THB 1.55 per share (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)) in exchange for EEC Global's businesses.

#### **4.5. Justifications of the Offering Price**

The Company determined the offering price for the 135,000,000 newly issued ordinary shares at THB 2 per share in which such price is from the negotiation between the Company and EEC GC Holdings. Such offering price which is not lower than 90 percent of the market price pursuant to the requirements of the Notification No. TorJor. 72/2558. The "market price" refers to the weighted average price of the Company's shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders' Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company's shares calculated for the past 15 consecutive business days during the period from 8 February, 2023 to 28 February, 2023, which is equal to THB 1.55 per share (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)).

#### **4.6. Backgrounds for Determination of the Offering Price**

The offering price for the newly issued ordinary shares is at THB 2 per share in which such price is from the negotiation between the Company and EEC GC Holdings and such offering price is reasonable because the price is not lower than 90 percent of the market price. The “market price” refers to the weighted average price of the Company’s shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders’ Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company’s shares calculated for the past 15 consecutive business days during the period from 8 February, 2023 to 28 February, 2023, which is equal to THB 1.55 per share. Upon review of the rationale, necessity, and benefits to be derived by the Company from the issuance and allocation of newly issued ordinary shares for offering by way of private placement as described above, the Board of Directors thus resolved to approve the issuance and allocation of newly issued ordinary shares for offering to EEC GC Holdings, on the grounds that the allocation of ordinary shares by way of private placement, the conditions for such allocation and the offering price of the newly issued ordinary shares are justifiable and in the best interests of the shareholders.

#### **4.7. Rationale and Justifications of the Offering of Newly Issued Shares by way of Private Placement**

The Board of Director view that such offering of newly issued shares by way of Private Placement is the consideration for the Entire Business Transfer Transaction between the Company and EEC GC Holdings including the ordinary shares of EEC Global instead of cash. This will not materially affect the financial liquidity of the Company which will help creates an opportunity for business expansion, enhances the Group’s customer base, including provides full range of telecommunication technology services due to such business integration. The Board of Directors views that such offering and allocating the shares is a reasonable consideration. This represents the Company’s investment management which will not affect the Company’s working capital. Should the Company secure its funds by other means instead of the capital increase, such as borrowing of loan, the Company may incur additional loan burdens, or should the capital be increased by way of the rights issue, it may be uncertain to secure such proceeds from the capital increase, which may cause the existing shareholders to bear a burden of making payment for the capital increase, let alone the fact that such arrangements will be more time-consuming than the capital increase by way of private placement.

#### **5. Certification of the Board of Directors on Capital Increase**

For the purpose of capital increase by way of private placement, the Board of Directors has carefully considered and verified information of EEC GC Holdings, which is the specific investor, and is of the opinion that the investor has potential and ability to actually invest. In the event where any director of the Company fails to

perform his/her functions with integrity and due care to protect the Company's interests in this capital increase, and such failure has caused damage to the Company, the shareholders may take legal actions to claim damages from such director on behalf of the Company pursuant to Section 85 of the Public Limited Companies Act B.E. 2535 (1992) (as amended). In the event where the failure to perform such functions has caused any directors or persons concerned to gain undue benefits, the shareholders may take legal actions to recover such benefits from the directors on behalf of the Company pursuant to Section 89/18 of the Securities and Exchange Act B.E. 2535 (1992) (as amended).

The Board of Directors certifies that the Board of Directors has carefully considered and verified the information of EEC GC Holdings and view that EEC GC Holdings have potential on the investment and able to invest in the Company by their knowledge which will support the telecommunication technology service business of the Company.

The Company hereby certifies that the information in this report is correct and complete in all respects.

**Remarks:**

1. It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the acquisition and acceptance of the entire business transfer according to the entire business transfer plan between the Company and EEC GC Holdings, in which there are 8 shareholders, namely (1) Mr. Chud Hengsavad; (2) Mr. Santi Panawong; (3) Mr. Boonruang Polpanich; (4) Mr. Supachoke Yongstar; (5) Mrs. Cherdchom Ongaree; (6) Mr. Veeravat Modesri; (7) Police Lieutenant General Predee Pongsethasant; (8) Mr. Chai Sanguansin ("**EEC GC Holdings Shareholders**"), who are not connected persons of the Company, whereby the Company shall acquire and accept transfer of the entire business of EEC GC Holdings, which refers to all assets, liabilities, rights, obligations and responsibilities of EEC GC Holdings, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global Cloud Company Limited ("**EEC Global**"), which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global's registered and paid-up shares), including the execution of the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the "**Entire Business Transfer Transaction**").

Given that EEC GC Holdings, as a holding company, has its investment in EEC Global representing 99.99 percent of EEC Global's registered capital as of the date of the entire business transfer, therefore, the fair value of EEC GC Holdings can be calculated from the fair value of EEC Global representing 99.99 percent, which is equal to THB 270,000,000. The value of consideration in the amount of 270,000,000 baht for the purchase of 99.99% of EEC Global's shares is the value negotiated between the Company and EEC GC Holdings by Discounted Cash Flow Approach, which takes into account the potential and profitability of the business in the future. The value of shareholders' equity of EEC Global from the valuation is approximately 335 million baht, which was assessed by the management of the company.

Upon comparison between the fair value of EEC GC Holdings and that of the Company, the Board of Directors resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,000,000 to EEC GC Holdings as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings, representing 25.56 percent of all issued and paid-up shares of the Company (based on all issued and paid-up shares of the Company after the execution of the transaction on share allocation in consideration of the entire business transfer).

The transaction on share allocation in consideration of the entire business transfer with EEC GC Holdings constitutes a private placement of newly issued ordinary shares, where the Shareholders' Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price of the Company's shares pursuant to the requirements of the Notification of the Capital Market Supervisory Board No. TorJor. 72/2558 Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors dated October 28, 2015 (as amended) (the "**Notification No. TorJor. 72/2558**"). The "market price" refers to the weighted average price of the Company's shares listed on the SET for the past period of at least 7 consecutive business days, but not exceeding 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose this matter to the Shareholders' Meeting of the Company to approve the capital increase and the allocation of new shares, whereby the weighted average price of the Company's shares calculated for the past 15 consecutive business days during the period from 8 February 2023 to 28 February 2023 is equal to THB 1.55 per share (Source: SETSMART from www.setsmart.com) as payment for the acquisition and acceptance of the entire business transfer from EEC GC Holdings (the "**Transaction on Share Allocation in Consideration of the Entire Business Transfer**").

Moreover, the execution of such Entire Business Transfer Transaction is regarded as the Company's acquisition and acceptance of transfer of other company's business pursuant to Section 107(2)(b) of the Public Limited Companies Act, therefore, the Company is required to obtain approval for such Entire Business Transfer Transaction from the Shareholders' Meeting of the Company, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote.

The transaction on acquisition and acceptance of the entire business transfer is regarded as an acquisition of assets under the Notification of the Capital Market Supervisory Board No. TorJor. 20/2551 Re: Rules on Entering into Material Transactions Deemed as Acquisition or Disposal of Assets dated August 31, 2008 (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition and Disposition of Assets B.E. 2547 (2004) dated October 29, 2004 (as amended) (the "Notifications on Acquisition and Disposition of Assets"). Upon calculation of the transaction size based on the total value of securities issued for the payment of assets comparing to the value of paid-up shares of the Company per the Company's financial statements for the year 2022 ended December 31, 2022, which had been audited by the auditor, the transaction value is equal to 34.34 percent and the Company have entered into any transactions on acquisition of assets over the past six months resulting that the maximum value of the transaction is equal to 34.34 based on the total value of securities issued for the payment of assets, which is regarded as an acquisition or disposal of assets in type 1 pursuant to the Notifications on Acquisition or Disposition of Assets.

Therefore, the Company is required to comply with the Notifications on Acquisition or Disposition of Assets, including the following matters:

- (1) To prepare and submit a report and disclosure of information memorandum on such transaction of the Company to the SET immediately, which must at least contain the information as required in List (1) attached to the Notifications on Acquisition or Disposition of Assets;
- (2) To appoint an independent financial advisor to carry out the relevant functions, including its opinions as required by the Notifications on Acquisition or Disposition of Assets and submit the independent financial advisor's report to the shareholders for consideration, together with the invitation letter for the Shareholders' Meeting. In this regard, the Company has appointed Welcap Advisory Co., Ltd., which is a financial advisor approved by the Office of the Securities and Exchange Commission (the "SEC Office"), as its independent financial advisor to provide its opinions to the shareholders in the execution of the Entire Business Transfer Transaction;
- (3) To convene a Shareholders' Meeting of the Company to approve the execution of the Entire Business Transfer Transaction, by delivering the invitation letter for the Shareholders' Meeting to the shareholders at least fourteen days prior to the date of the Shareholders' Meeting, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote, excluding such votes of the interested shareholders, where the names and number of shares of the shareholders ineligible to vote must also be specified in the invitation letter for the Meeting.

The details of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, which constitute transactions on acquisition of assets of listed companies, are described in the Information Memorandum of Planet Communications Asia Public Company Limited on Acquisition of Assets and Connected Transaction on Execution of Entire Business Transfer Transaction (**Enclosure 1**) and the Information Memorandum on Offering and Allocation of Newly Issued Shares of Planet Communications Asia Public Company Limited to EEC GC Holdings Co., Ltd. by way of Private Placement (**Enclosure 2**).

However, the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer shall proceed only after the conditions precedent as specified in the Entire Business Transfer Agreement between the Company and EEC GC Holdings (the “**Entire Business Transfer Agreement**”), including other arrangements, contracts and documents relating to such transactions, shall have been fulfilled. The significant conditions precedent may be summarized below.

- (1) The Shareholders’ Meeting of the Company shall have resolved to approve the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including approval on various matters necessary for and/or in connection with such transactions;
- (2) As of the date of the entire business transfer, there shall be no event or action happening or caused to happen or reasonably believed to likely happen, which may give rise to material and adverse impact on EEC Global or obstruct the execution of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer;
- (3) The SEC Office shall have approved the private placement of the newly issued ordinary shares to EEC GC Holdings and the application for a waiver from the requirement to make a tender offer for all securities of the business by virtue of resolution of the Shareholders’ Meeting (Whitewash);
- (4) The Board of Directors’ Meeting and the Shareholders’ Meeting of EEC GC Holdings shall resolve to approve the transfer of its entire business to the Company, including the execution of the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the execution of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, as well as any other actions to ensure the successful completion of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer.

In this connection, the Board of Directors’ Meeting deemed it appropriate to propose the Shareholders’ Meeting to consider authorizing the Board of Directors or the Executive Committee or the Chief Executive Officer or the person authorized by the Board of Directors or the Executive Committee or the Chief Executive Officer to take any arrangements in connection with or necessary for the execution of the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including to negotiate, enter into, sign and amend the Entire Business Transfer Agreement, other arrangements, contracts and documents relating to the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, and to set out rules, conditions and other details necessary for and in connection with the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, as necessary and appropriate under the applicable laws.

2. It was resolved to grant approval to propose the Shareholders’ Meeting to consider approving the Company’s registered capital increase by THB 187,139,177 from the current registered capital of THB 499,999,996 to be THB 687,139,173 by issuing 187,139,177 newly issued ordinary shares at the par value of THB 1 per share as (1) payment for the Entire Business Transfer Transaction by Private Placement not exceeding 135,000,000 shares, (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares and to consider approving the amendment of Clause 4 (registered capital) of the Memorandum of Association of the Company to

be in line with the Company's registered capital increase.

3. It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding issuing 187,139,177 newly issued ordinary shares at the par value of THB 1 per share as (1) payment for the Entire Business Transfer Transaction by Private Placement not exceeding 135,000,000 shares, (2) reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) in the amount not exceeding 13,139,177 shares and (3) for the capital increase with general mandate by Private Placement not exceeding 39,000,000 shares, as per the following details:

3.1 It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding 135,000,000 newly issued ordinary shares at the par value of THB 1 per share at the offering price of THB 2 per share, totaling THB 270,00,000 to EEC GC Holdings as payment for the Entire Business Transfer Transaction, whereby EEC GC Holdings will use its entire business, which refers to all assets, liabilities, rights, obligations and responsibilities of EEC GC Holdings, currently available and to be available in the future, as of the date of the entire business transfer, including 19,999,998 ordinary shares at the par value of THB 5 per share in EEC Global, which is a subsidiary of EEC GC Holdings (or representing 99.99 percent of EEC Global's registered and paid-up shares), to make payment in kind for the Company's newly issued ordinary shares.

The issuance and allocation of newly issued ordinary shares in consideration of acceptance of the entire business transfer with EEC GC Holdings constitute a private placement of newly issued ordinary shares, where the Shareholders' Meeting of the Company shall pass a resolution to clearly specify the offering price at THB 2 per share, which is not lower than 90 percent of the market price of the Company's shares pursuant to the Notification No. TorJor. 72/2558, with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote excluding such votes of the interested shareholders. Despite the approval from the Shareholders' Meeting to offer and allocate the Company's newly issued ordinary shares, the Company is also required to obtain approval from the SEC Office as specified in the Notification No. TorJor. 72/2558 before such offering and allocation of the Company's newly issued ordinary shares.

The market price for the issuance of the newly issued ordinary shares to EEC GC Holdings is calculated from the weighted average price of the Company's ordinary shares listed on the SET for the past period of at least 15 consecutive business days prior to the date the Board of Directors passed its resolution to propose the Shareholders' Meeting of the Company to consider approving the issuance and allocation of the Company's newly issued ordinary shares to EEC GC Holdings by way of private placement, whereby the price during the period from 8 February, 2023 to 28 February, 2023 is equal to THB 1.55 (Source: SETSMART from [www.setsmart.com](http://www.setsmart.com)).

In this regard, in compliance with the conditions under the Revenue Code regarding the entire business transfer, EEC GC Holdings shall proceed with registration of its dissolution by 2023, within the same fiscal year of EEC GC Holdings's entire business transfer. After such dissolution registration and during the liquidation of EEC GC Holdings, all existing assets at such time of EEC GC Holdings shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages. Therefore, during the liquidation of EEC GC Holdings, the Company's newly issued ordinary shares issued and allocated to EEC GC Holdings as payment for the Entire Business Transfer Transaction shall be transferred back to the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion in proportion to their shareholding percentages.

In addition, if the offering price of the newly issued ordinary shares to EEC GC Holdings is lower than 90

percent of the market price of the Company's shares prior to the SET's order to accept such newly issued ordinary shares as listed securities, the Company is obliged to prohibit EEC GC Holdings from selling all such newly issued ordinary shares within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period). Upon a lapse of 6 months after the Company's newly issued ordinary shares have started trading on the SET, EEC GC Holdings may gradually sell up to 25 percent of all locked-up shares in accordance with the requirements set out in the Notification of the Stock Exchange of Thailand Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended).

The Company anticipates that the entire business transfer shall be completed within June 2023 (depending on the completion of the conditions precedent under the Entire Business Transfer Agreement) and after the Shareholders' Meeting shall have resolved to approve the Entire Business Transfer Transaction and the Transaction on Share Allocation in Consideration of the Entire Business Transfer, including approval on various matters necessary for and/or in connection with such transactions.

Should the newly issued ordinary shares held by the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion and obtained in the course of EEC GC Holdings's liquidation represent all newly issued ordinary shares which EEC GC Holdings is prohibited from selling within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period) in accordance with the requirements set out in the Notification of the SET Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015), dated May 11, 2015 (as amended), the EEC GC Holdings Shareholders and/or those whose names are listed as EEC GC Holdings Shareholders as of the date of the liquidation completion shall be prohibited from selling such ordinary shares so obtained during the course of EEC GC Holdings's liquidation for the remaining silent period under such requirements accordingly.

Even the issuance and offering of the newly issued ordinary shares to EEC GC Holdings in this occasion has the offering price which is not lower than 90 percent of the market price of the ordinary of the Company as detailed above and not considered as the cause of right adjustment as specified in terms and conditions governing the rights and obligations of the issuer and holders of the warrants to purchase the ordinary shares of Planet Communications Asia Public Company Limited Series 1 (PLANET-W1) (the "Terms and Conditions"); however, the meeting of the Board of Directors deemed it appropriate to propose that the Shareholders' meeting to consider and approve the capital increase to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) due to the Terms and Conditions specified that "The Company will adjust the exercise price and exercise ratio to purchase ordinary shares throughout the term of the Warrants when the Company offers to sell its newly issued ordinary shares to the existing shareholders and/or the public and/or private placement at the average price per share of the newly-issued ordinary share lower than 90 percent of the "market price of the Company's ordinary shares". In this regard, "market price of the Company's ordinary shares" means the average weighted price of the Company's ordinary share traded in the SET during 7 consecutive Business Days before the first date of the offering of the newly issued ordinary shares to the private placement.

Therefore, if the offering price at the first date of the offering of the newly issued ordinary shares to the private placement is lower than 90 percent of the market price of the Company's ordinary shares which the right adjustment shall effective immediately from the first date of the offering to the private placement. Please refer to more details in Clause 3.2 of this information memorandum.

In addition, the Board of Directors' Meeting resolved to grant approval to propose the Shareholders' Meeting to consider authorizing the Board of Directors or the Executive Committee or the Chief Executive Officer or the person authorized by the Board of Directors or the Executive Committee or the Chief Executive Officer to take any arrangements in relation to the

issuance, offering, allocation and subscription for such newly issued ordinary shares, including the following matters:

- (1) To determine, amend, add details relating to the issuance, offering, allocation and subscription for the newly issued ordinary shares, the offering date of the newly issued ordinary shares, and the payment method for the newly issued ordinary shares (whereby the period of allocation and subscription may be on one or several occasions), including such arrangements relating to the issuance, offering, allocation and subscription for such newly issued ordinary shares, and information filing and disclosure to the SET.
- (2) To sign, amend, change, contact or report any information in the applications and evidence necessary for and in connection with the issuance, offering, allocation, subscription and delivery of such newly issued ordinary shares, including contact and filing of the applications, documents and evidence with the Ministry of Commerce, the SEC Office, the SET, government agencies or other relevant authorities, and the listing of the Company's newly issued ordinary shares on the SET, and to have the authority to take any other actions as deemed necessary and appropriate to ensure the successful completion of the Company's issuance, offering and allocation of the newly issued ordinary shares by way of private placement.

Pursuant to the Notification No. TorJor. 72/2558, the Company is required to complete the share offering within the period as approved by the Shareholders' Meeting, but not exceeding 3 months from the date the Shareholders' Meeting passes its resolution to approve the offering of the newly issued shares, or complete the share offering within 12 months from the date the Shareholders' Meeting passes its resolution to approve the share offering in the event where it is clearly specified by resolution of the Shareholders' Meeting that upon a lapse of such 3 months, the Board of Directors or the person authorized by the Board of Directors shall determine the offering price based on the market price during the offering period.

Please refer to the details of the opinions of the Board of Directors and the details of the issuance, offer and allocation of the Company's newly issued ordinary shares in the Information Memorandum of Planet Communications Asia Public Company Limited on Acquisition of Assets and Connected Transaction on Execution of Entire Business Transfer Transaction (**Enclosure 1**), the Information Memorandum on Offering and Allocation of Newly Issued Shares of Planet Communications Asia Public Company Limited to EEC GC Holdings Co., Ltd. by way of Private Placement and to reserve for the right adjustment for exercise the right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) (**Enclosure 2**).

3.2 It was resolved to propose that the Shareholders' meeting to consider and approve the allocation of the newly issued shares in the amount not exceeding 13,139,177 shares at a par value of THB 1 per share to reserve for the right adjustment of the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1).

Please refer to details of the opinion of the Board of Directors and issuance, offer and allocation of the Company's newly issued ordinary shares in the Information Memorandum on Offering and Allocation of Newly Issued Ordinary Shares of Planet Communications Asia Public Company Limited by way of Private Placement and Reserve for the Right Adjustment for Exercise the Right under the Warrants to Purchase the Ordinary Shares of the Company Series 1 (PLANET-W1) (**Enclosure 2**).

3.3 It was resolved to grant approval to propose the Shareholders' Meeting to consider approving the issuance and allocation of not exceeding 39,000,000 newly issued ordinary shares at the par value of THB 1 per share with General Mandate by Private Placement.

In this regard, the price to be offered by Private Placement must be the best price according to market conditions during the offering of shares to investors for the best benefit of the Company and shareholder, in which shall not be considered as a low price pursuant to price criteria requirement of the SEC Office and SET, which shall not be lower than one of the following prices: (a) weighted average price of shares on the stock market not less than 7 consecutive business days but not more than 15 consecutive business days prior to the offering price determination date and may impose a discount of not more than 10 percent of such price or (b) the price determined through a process that investors provide their intention to purchase newly issued shares of the Company at the specified price level (Book Building), which is surveyed by securities companies pursuant to the requirements of the Notification No. TorJor. 72/2558.

This issuance and offering of newly issued shares as abovementioned, in any case, shall not cause any investors holds shares of the Company in a manner that increases up to or beyond the trigger point which is required to make a tender offer for all securities of the Company pursuant to the Notification No. TorJor. 12/2554 or in a manner that violates the foreign shareholding restrictions as specified in the Company's Articles of Association which requires foreigners holding shares in the Company not exceeding 49 percent of the Company's registered and paid-up shares.

Details of the Application for Waiver from the Requirement to Make a Tender Offer for All Securities of the Business by virtue of Resolution of the Shareholders' Meeting (Whitewash)

1. Name of the Applicant

EEC GC Holdings Co., Ltd. (“EEC GC Holdings” หรือ the “Applicant”) wishes to apply for a waiver from the requirement to make a tender offer for all securities of Planet Communications Asia Public Company Limited (the “Company” or “Business”) by virtue of the resolution of the Shareholders' Meeting (Whitewash) under the Notification of the Office of the Securities and Exchange Commission No. SorKor. 29/2561 Re: Rules for the Application for Waiver from the Requirement to Make Tender Offer for All Securities of the Business by Virtue of the Shareholders' Meeting Resolution, dated May 30, 2018.

2. Total Votes of the Shareholders Ineligible to Vote on Agenda Item 12 To consider and approve a waiver from the requirement to make a tender offer for all securities by virtue of the resolution of the Shareholders' Meeting (Whitewash)

As the waiver from the requirement to make a tender offer the waiver from the requirement to make a tender offer for all securities of the Company by virtue of resolution of the Shareholders' Meeting on this occasion requires approval from the Shareholders' Meeting with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote, excluding the votes of the persons under Section 258 of the Securities and Exchange Act B.E. 2535 (1992) (as amended) (the “Persons under Section 258”) of the Applicant or the concert party of the Applicant, and the Persons under Section 258 of such party.

In this case, prior to this offering of the Company's newly issued ordinary shares to the private placement investor, the Applicant and the Person under Section 258 of the Applicant, or the concert party of the Applicant and the Person under Section 258 of the Applicant are not shareholders of the Company, who are not ineligible to vote on the Agenda 12. Therefore, the waiver from the requirement to make a tender offer for all securities of the Company shall be considered and approved by virtue of the resolution of the Shareholders' Meeting (Whitewash).

Upon the offering and allocation of the Company's newly issued ordinary shares to the private placement investor, the Applicant shall hold 135,000,000 newly issued ordinary shares of the Company at the par value of THB 1 per share, representing 25.56 percent of all issued and paid-up shares of the Company. Therefore, the Applicant shall hold additional shares of the Company and/or be allocated additional shares of the Company in the future not exceeding 24.44 percent of all issued and paid-up shares of the Company, thus, the Applicant shall be not required to make a tender offer for all securities of the Company.

As abovementioned, there is no shareholder of the Company who shall ineligible to vote on the Agenda 12. Therefore, the waiver from the requirement to make a tender offer for all securities of the Company shall be considered and approved by virtue of the resolution of the 2023 Annual General Meeting of Shareholders, held on April 28, 2023.

**3. Method and Basis of Determination of the Offering Price**

This offering of the Company's newly issued ordinary shares to the private placement investor is a private placement of the Company's newly issued ordinary shares whereby the Board of Directors has resolved clearly to determine the offering price by proposing to the Shareholders' Meeting for the shareholders' consideration the offering price of THB 2 per share, which is not lower than 90 percent of the market price of the Company's shares pursuant to the requirements of the Notification of the Capital Market Supervisory Board No. TorJor. 72/2558 Re: Permission for Listed Companies to Offer Newly Issued Shares to Specific Investors (the "**Notification No. TorJor. 72/2558**"). Therefore, the Company shall obtain not only approval from the Shareholders' Meeting with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote for the offering of the Company's newly issued ordinary shares to the Applicant, but also permission to offer the Company's newly issued ordinary shares by way of private placement from the Office of the Securities and Exchange Commission (the "**SEC Office**") per the Notification No. TorJor. 72/2558 prior to offering such newly issued ordinary shares.

In this regard, the Company has considered determining the offering price of not exceeding 135,000,000 newly issued ordinary shares at the offering price of THB 2 per share, totalling THB 270,000,000. Such offering price is mutually agreed between the Company and the Applicant referring from Discounted Cash Flow Approach, which takes into account the potential and profitability of the business in the future. The value of shareholders' equity of EEC Global from the valuation is approximately 335 million baht, which was assessed by the management of the company.

The market price for the issuance of the newly issued ordinary shares to be allocated to the Applicant calculated from the weighted average price of the Company's shares being traded on the Stock Exchange of Thailand ("**SET**") over the past 15 consecutive business days before the date of this Board of Directors' Meeting resolved to approve to propose to the shareholders' meeting of the Company to consider and approve the issuance and allocation of the newly issued ordinary shares to the Applicant, namely from 8 February, 2023 to 28 February, 2023, which is equal to THB 1.55 (Information from SETSMART pursuant to [www.setsmart.com](http://www.setsmart.com)).

Moreover, if the offering price of the newly issued ordinary shares to the Applicant is lower than 90% of the market price of the Company's shares before the first date of offering of the newly issued ordinary shares, the Company is obliged to prohibit the Applicant from selling all of such newly issued ordinary shares within 1 year from the date on which the Company's newly issued ordinary shares start trading on the SET (Silent Period). Upon a lapse of 6 months after the Company's newly issued ordinary shares have started trading on the SET, the Applicant may gradually sell up to 25% of such locked-up shares in accordance with the requirements as set out in the Notification of the SET Re: Rules, Conditions and Procedures for Consideration of Application for Listing of Ordinary Shares or Preferred Shares for Capital Increase as Listed Securities B.E. 2558 (2015) dated May 11, 2015 (as amended).

**4. Opinion of the Board of Directors**

**4.1 Rationale and Necessity for Capital Increase of the Company**

The Board of Directors is of the view that the issuance and offering of the Company's newly issued ordinary shares to the Applicant to pay for the payment for purchase of ordinary shares of EEC Global on this occasion will create no further financial burden to the Company, should the Company find another source of capital by other means, e.g., by borrowing of a loan, it may result in greater financial burden to the Company. Moreover, the acquisition of ordinary shares in the amount of 19,999,998 shares in EEC Global, with a par value of THB 5 per share, which is a subsidiary of the Applicant, will enhance stability and growth of the Company's Cloud service provider, Smart City, and Platform provider business, which is a business that continually and steadily grows, the Company will continually receive a return from such business in the future.

It is for this reason that the Board of Directors is of the view that this capital increase is necessary in order to use the newly issued ordinary shares as payment for the acquisition of assets by entire business transfer of the Applicant instead of payment by cash.

**4.2 Rationale for Offering of the Company's Newly Issued Ordinary Shares to the Applicant, Expected Benefits to the Company from the Issuance of Newly Issued Ordinary Shares to the Applicant, and Justifications of the Offering Price**

The Board of Directors is of the view that the allocation and offering of the Company's newly issued ordinary shares to the Applicant to pay for the payment for entire business transfer transaction between the Company and the Applicant instead of cash in whole amount, which does not materially affect the Company's financial liquidity. This could assist creating opportunities to expand business in Cloud service provider, Smart City, and Platform provider, which is steadily grows, the Company will continually receive a return from such business. In this regards, the issuance and offering of the Company's newly issued ordinary shares to the Applicant for private placement shall provide the Company with the acquisition of a business in providing of depository services for computer servers, virtual servers services, system administration services, backup services for customer server and provide Disaster Recovery Services (DRS). The allocation and offering of the Company's newly issued ordinary shares to the Applicant is suitable for the Company's business plan by offering the Company's newly issued ordinary shares to the investors who are ready and interested in direct purchasing of the Company's newly issued ordinary shares, and as such, the Company shall be able to raise funds within a short period of time and secure such required funds, as compared to other fundraising methods. As a result, the Company shall be able to immediately invest in projects in between of the Company's studying and negotiating. In addition, this offering of the Company's newly issued ordinary shares will not be a burden on the existing shareholders to increase their capital, which will result in the Company shall be able to maintain liquidity and better business operations. Should the Company find other source of capital by other means than the capital increase by way of private placement, e.g., borrowing of loan, which may cause the Company to encounter problems in terms of its working capital and incur liabilities in a substantial amount,

including interest expenses which shall affect the Company's net profits or if the capital increase proceeds by way of right offering, it is uncertain to secure such amount of capital from the financing and may give rise to the existing shareholders' burden to pay for the capital increase, not to mention that it is likely more time-consuming than the capital increase by way of private placement.

In this regard, the Company shall offer its newly issued ordinary shares to the private placement with explicit offering price of THB 2 per share, which is the negotiated price between the Company and EEC GC Holdings. In which, such offering price of THB 2 per share is not lower than 90 percent of the market price of the Company's shares pursuant to the Notification No. TorJor. 72/2558.

Based on the foregoing reasons, the Board of Directors is of the view that the allocation and offering of the Company's newly issued ordinary shares to the Applicant represent the fundraising method most capable of accommodating the requirements of funds which are suitable to the Company's current situation, and as such, the Company shall be able to raise funds within a short period of time and will not cause further financial burden to the Company. Should the offering of the newly issued ordinary shares to the Applicant not be approved by the shareholders or should the request for such resolution to waive the requirement to make a tender offer for all securities of the Company by virtue of a resolution of the Shareholders' Meeting of the Company (Whitewash) not be approved by the Shareholders' Meeting, the Company shall not be able to raise funds to meet the requirements, and such failure will affect the investment plan with continuity and steadiness, including causing the Company to lose the opportunity to receive a return from such rapidly growing business.

#### **4.3 Relationship between the Applicant and the Company, its Executives, Controllers or Major Shareholders, and Material Contracts**

Prior to this capital increase, there is no relationship between the Applicant and the Company, its executives, controllers or major shareholders. After the acquisition of the Company's newly issued ordinary shares, however, the Applicant will be the major shareholder of the Company, holding a total of 135,000,000 shares in the Company, representing approximately 25.56% of all issued and paid-up shares (after the Company's paid-up capital increase subsequent to this issuance and offering of newly issued shares).

#### **4.4 Benefits or Impact from and Possibility of the Applicant's Policy or Plan for Management of the Company**

After the offering of securities for which waiver has been applied for on this occasion, the Company shall acquire the 19,999,998 ordinary shares of EEC Global at par value of THB 5 per share or representing 99.99 percent of EEC Global's registered and paid-up shares), which operates the business of providing of depository services for computer servers, virtual servers services, system administration services, backup services for customer server and provide Disaster Recovery Services (DRS). Such acquisition of EEC Global's ordinary shares will expand the Company's business operation to Cloud service provider, Smart City, and Platform provider business, which is a business with a rapid and continuing growth rate, and the Company will receive a steady return from such business

that strengthens the financial position of the Company. In this regard, the Applicant has no policy to change the core business, the business objectives, the organization structure, or the dividend policy of the Company.

In addition, the Applicant **shall** not intend to nominate any its representatives or directors to the Company, therefore, the existing directors and executives shall be able to continue determining the direction of the business, which is in accordance with the terms and conditions as set out in the entire business transfer agreement between the Company and the Applicant. However, in case that any business plans have been adjusted, the Board of Directors shall include such proposals to be considered. In addition, any business plan adjustments shall be subject to financial and investment suitability and it shall be good and provide benefits to the Company's business and the shareholders as a whole.

**4.5 Opinion Proposed to the Shareholders on Approval or Disapproval for the Applicant to Acquire Newly Issued Securities without Making a Tender Offer for All Securities of the Company, and Supporting Reasons**

The Board of Directors has resolved to grant approval for seeking approval at the Shareholders' Meeting of the Company of a waiver from the requirement to make a tender offer for all securities of the business by virtue of resolution of the shareholders' meeting (Whitewash) because such waiver is justifiable, taking into account the necessity for the registered capital increase to expand and extend the Company's business in the future, and other benefits to be derived from the Company's registered capital increase as described in Clauses 4.1 to 4.4 above. In addition, the Board of Directors has granted opinion that the allocation and offering of the Company's newly issued ordinary shares to the Applicant shall be considered as a raising fund method which is suitable for the Company's capital utilization and appropriate for the Company's current situation, and as such, the Company shall be able to raise funds within a short period of time and secure such required funds, as compared to other fundraising methods as follows

- (1) The capital increase by issuance and offering the newly issued ordinary shares to public investors (Public Offering) shall be a fund raising method that takes period longer than the issuance and offering the newly issued ordinary shares to a private placement investors and the Company might not receive the anticipated funding as required by its business plan.
- (2) The capital increase by issuance and offering the newly issued ordinary shares to the Company's existing shareholders in proportion to their shareholding (Right Offering) might be a risk that the Company shall not raise fund at the expected amount because the Company's existing shareholders may not intend to purchase the Company's newly issued ordinary in full.
- (3) The providing of a loan from any financial institutions or the issuance of bond shall be a fund raising method that takes lots of processes and long period which may cause the Company to inability to raise funds in time and may receive funds that are insufficient as required under the Company's business plan.

- 4.6 Opinion and Reasons of Each Director Different from the Opinion of the Advisor to the Shareholders  
-None-
5. Shareholders' Rights to Object to the Waiver from the Requirement to Make a Tender Offer for All Securities of the Company

The waiver from the requirement to make a tender offer for all securities of the Company by virtue of resolution of the Shareholders' Meeting on this occasion requires approval from the Shareholders' Meeting with not less than three-fourths of all votes of the shareholders present at the Meeting and entitled to vote, excluding the votes of the Persons under Section 258 of the Applicant or the concert party of the Applicant, and the Persons under Section 258 of such party.
