	2024, taking into account the transactions incurred in the past 6 months. The calculated transaction size is 3.06% which is less than 15.00%. Therefore, it is not necessary to report information according to the Notification of Acquisition or Disposition of Assets as stated by the Notification of the Capital Market Supervisory Board No. TorChor.20/2551 (including additional amendments)
	However, the Company is obliged to report such disposal of subsidiary to be in accordance with the Regulations of the Stock Exchange of Thailand on Rules, Conditions and Procedures regarding the Disclosure of Information and Other Acts of a Listed company B.E.2560. As this is the case where the Company disposes an investment in another company which results in that other company termination of the subsidiary Company.
Opinion of the Board of Directors on entering the transaction:	The resolution of the Board of Directors' Meeting approved the Company to proceeded the stated transaction. As the transaction value is reasonable and beneficial to the company including with its shareholders. It is also to enhancing the company's liquidity, using the funds to improve sugar production efficiency, and increasing production capacity efficiently. Additionally, the plan includes expanding into other businesses beyond sugar to foster sustainable growth for the group of companies.
	The board of directors further commented that the sale of CSF shares does not affect the core business operations and the group's performance, as it only involves the sale of ownership of vacant land. The company has considered the best interests of the company and its shareholders, also confident that this transaction will contribute to the sustainability of the group.
Opinion of the Audit Committee which is different from the Board of Directors in the above points.	The Audit Committee agreed with the opinion of Board of Directors

Please be informed accordingly.

Yours sincerely,
