Subject: Declaration of Operating Results for the three-month period ended March 31, 2026

Attention: President

The Stock Exchange of Thailand

Jack Chia Industries (Thailand) Public Company Limited would like to submit the Management Discussion and Analysis for the operating results for the three-month period ended March 31, 2026. The company and its subsidiary has reported consolidated net profit of Baht 41.53 million an increase by Baht 6.86 million or 19.77% compared to the same period last year.

We would like to clarify the changes in the Company's operating results as follows:

- Sales Revenue amounted to Baht 231.85 million, representing an increase of Baht 13.22 million or 6.05% compared to the same period last year. The growth in sales reflected the Company's ability to strategically adapt the marketing initiatives and effectively position the products in the market.
- Administrative expenses amounted to Baht 19.31 million, decreasing by Baht 0.16 million or 0.84% compared to the same period last year. This decrease was mainly attributable to effective cost optimization and expense control measures. Despite higher sales revenue, administrative expenses remained relatively stable.
- The Company has continued marketing efforts and achieved growth despite the potential economic slowdown and uncertainties arising from external factors, including the situation in the Middle East. Through careful operational planning and a focus on sustainable growth, the company was able to improve its sales performance during the first quarter.
