Subject: Management discussion and analysis for operating results for the first quarter of 2026 which changed over 20% from the previous year.

To: The Board of Directors and President of the Stock Exchange of Thailand

Seafresh Industry Public Company Limited ("The company") would like to inform the operating results of the company and its subsidiaries for the first quarter of 2026 which changed over 20% compared with the previous year as follow:

**Sales**

The company reported sales revenue of the company and its subsidiaries for the first quarter of 2026 in THB 1,783.63 million, increased by THB 296.09 million or 19.90% when compared to the same period of the previous year. The increase in sales revenue was a key factor supporting the Company's operating performance.

**Net Profit (Loss)**

For the first quarter of 2026, the Company reported a net profit attributable to shareholders of THB 30.09 million, representing an increase of THB 49.14 million or 257.95 compared to the same period of the previous year, in which the Company recorded a net loss attributable to shareholders of THB 19.05 million.

The improvement was primarily attributable to more efficient cost management, which resulted in improved operating margins. In addition, gains from foreign exchange increased compared to the same period of the previous year, contributing to a significant increase in the Company's net profit.

Please be informed accordingly.

Yours faithfully,

Chintat Chia-Apar  
Director
