Subject : Clarification of the Operating Result Difference Exceeding 20%

To : Managing Director
The Stock Exchange of Thailand

Copy to : The Secretary
The Securities and Exchange Commission

Vibe Synergy Group Public Company Limited (“the Company”) would like to clarify the operating results that differ by more than 20 percent by Announcement of the Securities and Exchange Commission No. Sor Thor. 44/2013 on the criteria, conditions and methods for reporting disclosure of information regarding the financial status and performance of companies issuing securities as follows:

During the first quarter of 2026, the Company invested in the food and beverage business, which generated additional revenue for the Company. In addition, the Company recognized profit from the restaurant management system business in which the Company had invested in the previous year. Such profit helped offset losses from the Company’s existing businesses. As a result, the Group reported a net profit of THB 1.66 million in the consolidated financial statements. The significant details are summarized as follows:

1. The Group recorded total revenue from sales and services for the first quarter of 2026 amounting to THB 43.30 million, representing an increase of THB 17.43 million, or 67.36%, compared to the same period of the previous year. The increase was mainly attributable to the recognition of revenue from the food and beverage business group acquired during the period, which accounted for 56.59% of total revenue from sales and services.

2. Cost of sales and services presented in the consolidated financial statements for the first quarter of 2026 amounted to THB 24.99 million, representing an increase of THB 10.57 million, or 73.58%, compared to the same period of the previous year. The increase in costs and expenses was in line with the increase in revenue recognized from the aforementioned subsidiary.

3. For the business group engaged in the manufacturing and distribution of traditional medicines, herbal products, cosmeceuticals, health and beauty products, and dietary supplements, including Compound Andrographis Paniculata Cough Mixture and Andrographis Paniculata Extract under the “Karaboon” brand, the Company remains committed to developing new and diversified products to serve a broader customer base. The Company has also expanded distribution channels by seeking new customer groups and enhancing marketing activities to increase product awareness. In addition, the Company continues to improve operational efficiency, refine its strategies, and focus on business expansion opportunities in order to strengthen profitability and achieve sustainable growth.

Please be informed accordingly.

Best regards
