Subject: Management discussion and analysis for operating results for the second quarter of 2026 which changed over 20% from the previous year.

To: The Board of Directors and President of the Stock Exchange of Thailand

Seafresh Industry Public Company Limited ("The company") would like to inform the operating results of the company and its subsidiaries for the second quarter of 2026 which changed over 20% compared with the previous year as follow:

Sales

The company reported sales revenue of the company and its subsidiaries for the second quarter of 2026 in THB 2,191.28 million, increased by THB 168.31 million or 8.32% when compared to the same period of the previous year.

Net Profit (Loss)

For the second quarter of 2026, the Company reported a net profit attributable to shareholders of THB 82.64 million, representing an increase of THB 77.18 million or 1,413.55 compared to the same period of the previous year, in which the Company recorded a net profit attributable to shareholders of THB 5.46 million.

The significant increase in net profit was mainly attributable to higher sales generated by the Company's overseas subsidiaries as a result of market expansion, together with effective cost and expense management. These factors contributed to an improvement in the operating profit margin, resulting in a significant increase in the Company's net profit compared with the same period of the previous year.

Please be informed accordingly.

Yours faithfully,

Chintat Chia-Apar
Director
