No. SPTX-039-2026

15 September 2026

Subject: Notification of the Disposal of assets of a subsidiary company, resulting in the termination of its status as a subsidiary.

To Director and Manager
The Stock Exchange of Thailand

SPT X Public Company Limited ("the Company") hereby informs you that the Board of Directors meeting No. 12/2026 held on 15 September 2026, resolved to approve the sale of all ordinary shares of Spring News Television Company Limited ("SPTV"), in which the Company holds 99.99% of the shares, to Mr. Teerachai Thiangbangluang, who is not a related party of the Company, for a purchase price of THB 50,000.

The Company deems it appropriate to sell all of its shares in SPTV, as SPTV is no longer conducting significant business or operations, and continued ownership of SPTV would involve management obligations and litigation risks as previously disclosed.

The sale of this investment in the subsidiary, when calculated according to the size of the transaction as defined in the Capital Market Supervisory Board's Notification No. Tor. 45/2568 regarding criteria for significant transactions, results in a maximum transaction size of 0.69% based on net assets, calculated according to the Company's consolidated financial statements as of 30 June 2026. Therefore, this sale of assets is classified as a sale of assets with a value less than 25%, and the Company is not obligated to comply with or disclose information to the Stock Exchange of Thailand under the said notification. Furthermore, the sale of this investment in the subsidiary does not fall under the category of related party transactions. According to the Capital Market Supervisory Board's Notification No. Tor. 46/2568 regarding criteria for related party transactions, the Company is not obligated to comply with the said notification.

However, following the sale of the said asset, SPTV will cease to be a subsidiary of the Company. Therefore, the Company is required to disclose information regarding this transaction, which involves the sale of an investment in another company resulting in that other company ceasing to be a subsidiary, in accordance with the Stock Exchange of Thailand's regulations on information disclosure and operations of listed companies, B.E. 2569. This sale of assets will not have any significant impact on the Company's overall operations or financial position.

Please be informed accordingly.

Sincerely yours,

- Atcha Noonkhan -
