Dear Sirs,

The Company would like to clarify the operation results for Q3/2019 (July– September) which has variance of over 20 percent comparing to the same period of the previous year. The relevant details are as follows:-

The operating result for Q3/2019 of the Company shows net profit of Baht 460.04 million, increased from the same period last year. (Q3/2018 net profit of 327.40 million baht) amounting to Baht 132.64 million, or 40.51%. The aforementioned increase in net profit is as a result from the Ministry of Finance's order No. 1213/2561 revocation of License for Non-Life Insurance Business of Chao Phraya Insurance Public Company Limited dated September 7, 2018. Accordingly, the Company has provided full allowance for doubtful accounts on outstanding receivables from the Chao Phraya Insurance Public Company Limited in additional amount of Baht 299 million, in Q3/2018.
