## Total Revenue

Total revenues for the $2^{\text {nd }}$ Quarter of 2020 were THB 128.93 million decreased by $75.75 \%$ from the same period last year and decreased by $52.03 \%$ compared to $1^{\text {st }}$ Quarter $2020(\mathrm{QoQ})$. The first 6 month of 2020 was THB 399.25 million decreased by $63.04 \%$ from the same period last year. Revenue structure came mainly from the retail channels "Cosmetic Shops." Beauty Buffet shops were $48.06 \%$, and Beauty Cottage shops were $8.29 \%$. The revenue portion from Overseas distribution channels were $28.32 \%$, the Commercial trading channels (Consumer Product) was $9.27 \%$, the last portion of revenue was from E-commerce was $4.21 \%$, other revenue was $1.85 \%$ The same store sales growth (SSSG) for the first 6 months of 2020 declined by $47.61 \%$. (2 ${ }^{\text {nd }}$ Quarter 2020 was declined by $56.45 \%$ )
(Note: Oversea shops are operated by our partners which have been sold in a wholesale commercial conditions)
Lingering setback on the company's revenue is continually contributed to the COVID-19 crisis that spread heavily in China since late of January and the $300+$ stores closure, more than $95 \%$ of total branches, upon the government announcement late March along with the economic deceleration, decreased number of tourists, and weak purchasing power in general. In addition, the fierce competition of the cosmetics business utilizes various promotion to boost sales in order to gain greater market share from the rest of the players - causing customers' loyalty is destabilized.

However, the company expects that the business trend in the $2^{\text {nd }}$ half of the year will gradually improve. After lenient regulations, the company can reopen our retail stores together with strategies adjustment - Business Re-engineering - to adjust management direction and increase business efficiency altogether. This adjustment is expect to show the initial results by the end of $3{ }^{\text {rd }}$ Quarter 2020 and clearly in $4{ }^{\text {th }}$ Quarter 2020 as follows:

Local marketing strategy adjustment plan by focusing on expanding distribution channels with high growth potential, such as E-Commerce and Consumer Product channels. Consumer Product targets large cosmetic wholesalers in major provinces (FMCG) along with the development of a new sales model called "Beauty Online Shop" to turn customers who have experience with the storefront service can order online immediately. (Every branch has a channel to order products in front of the branch (Offline Store) and through the online system in both formats) and prepare for selection of our distributors through online channels to increase the chance of selling more products.

As for retails, the company has adjusted the organization structure to be more flexible to increase competitiveness and reduce the future expenses by closing nonperforming branches and compensating with online sales channels to reach a wider range of customers with little to no restrictions. The company believes that the policy will reduce the cost in the long term and increase profitability of the company in the future.

For international market, the company has revised plans to release new products with good profit margin to compensate the decline in sales and cooperate with distributors in China to further develop new products. This is expected to complete in the $3{ }^{\text {rd }}$ Quarter 2020, and the company will also focus on distribution channels in the countries in the South East region, such as Cambodia, Vietnam, Myanmar, and Malaysia. Although some orders are currently encountering transportation issue, the company expects the situation to recover quite soon because Thai products and BEAUTY products still have demand. The company has worked closely with distributors by continuously providing marketing and merchandise support to timely adapt with the situation at hand

## Gross Profit

Gross Profit for the $2^{\text {nd }}$ Quarter 2020 was THB 65.30 million which are decreased $79.45 \%$ YoY, decreased by $56.54 \%$ QoQ, and for the first 6 month of 2020 was THB 215.58 million, decreased by $66.74 \%$ (YoY).
