REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To The Board of Directors of Thai AirAsia Company Limited

I have reviewed the accompanying interim financial information of Thai AirAsia Company Limited which comprise:

- the statement of financial position as at 30 June 2026;
- the statement of comprehensive income for the three-month and six-month period then ended;
- the statement of changes in shareholders' equity for the six-month period then ended;
- the statement of cash flows for the six-month period then ended; and
- the condensed notes to the interim financial statements

Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".
